Dear Mr. Johnson:

Enclosed are copies of the entire files for wells drilled under the above captioned permit numbers.

Violation notices were posted on these five (5) wells on March 8, 1979, giving Mr. Ramsey until March 19, 1979 to abate the violations. Orders for Failure to Abate Violations (IV-30's) were sent to Mr. Ramsey on March 21, 1979, certified mail-return receipt requested.

According to K. Paul Goodnight, District Inspector, these wells have been abandoned for twelve consecutive months and are presumed to be abandoned and must be plugged - 22-4-7.

We are therefore, requesting that you initiate immediate action for bond forfeiture so that we can have these abandoned wells properly plugged.

If you need additional information or have any questions please don't hesitate to call me.

Sincerely yours,
