AFFIDAVIT

STATE OF WEST VIRGINIA,

COUNTY OF Ritchie

} ss:

Edward L. DeLo and Luther Davis
being first duly sworn according to law depose and say that they are experienced in the work of plugging

and filling oil and gas wells and were employed by Carnegie Natural Gas Company, well operator, and participated in the work of plugging and filling the above well, that said work was commenced on the

27th day of September, 19 32, and that the well was plugged and filled in the following manner:

Manner in which said well was plugged: Filled hole from total depth 2905' with red mud to 1852' Drove 6 1/2" wood plug at 1852' to 1849' Filled hole with cement from 1849' to 1839' Filled hole with red mud from 1839' to 1798' Drove 6 1/2" wood plug at 1798' to 1795' Drove 6 1/2" lead plug at 1795' to 1793' Pulled 1367' of 6 1/2" casing, leaving in well 414' Filled hole with red from 1793' to 1480' Drove 6 1/2" wood plug at 1480' to 1477' Drove 6 1/2" lead plug at 1477' to 1475' Filled hole with cement from 1475' to 1465' Filled hole with red mud from 1465' to 825' Drove 8 1/2" wood plug at 825' to 821' Filled hole with red mud from 821' to 780' Filled hole with red mud & savings from 780' to 525' Drove 10" wood plug from 525' to 522' Filled hole with red mud from 522' to 82' Drove 10" wood plug at 82' to 78' Pulled 10" casing and filled hole with cement and red mud, Gas would not light when plugging was completed 11-16-1932

EDL
L.D.

We were not able to follow the Department of Mines instructions for a part of the plugging of this well on account of not being able to pull all of the 6 1/2" casing and also after pulling a part of the 6 1/2" casing the hole caved so badly we could not set all the plugs and cement as per instructions, however we were particular and did a good job as gas is completely shut off.

Description of monument: Concrete Monument 18" Square Base, 8" Square at Top, Three feet & 8 inches tall with Brass Tag secured to top with O. N. G. Co. #1445

(THE ABOVE DESCRIPTIONS MUST BE IN DETAIL AND IN ACCORDANCE WITH THE PROVISIONS OF SECTION 10, OIL AND GAS ACT OF 1922.)
and that the work of plugging and filling said well was completed on the 18th day of November,
