Re: Eastern # 55 (API 47-039-04291) and Eastern # 56 (API 47-039-04292)

Greylock Conventional, LLC. is requesting a plugging modification on the above referenced wells due to difficulty trying to reach the appropriate operators. The first one I mailed was sent back to me with no forwarding address. I then reached out to the WVDEP and spoke with Marty and Taylor. They provided me with two addresses. I then sent notification to the below addresses with no response. Please see the addresses below. As always, should you have questions, please let me know.
