RE: P4 Frac Focus Reports

Dear Ms. Thornton:

Jay-Bee Oil & Gas, Inc. contracted B.J. Services to conduct frac operations on several wells situate on our P4 drilling pad. B.J. Services failed to upload their reports on those frac jobs and has subsequently gone out of business and filed for bankruptcy. We have made numerous attempts to retrieve these reports from B.J. Services without any success and the information is not available to us. Therefore, their reports are not included in of the following WR-35 Completions Reports

- P4S3 – API# 47-073-02573
- P4S4 – API# 47-073-02572
- P4N5 – API# 47-073-02575
- P4N2U – API# 47-073-02578

I would like to apologize in advance for any confusion this will cause. Please feel free to contact me with any questions you may have.

Sincerely,

Kim Swiger  
Landman/Permitting Agent
