1929 Co. Rept.*Edroy*
..... District, Pocahontas County, W. Va.
On waters of Williams River.

Record from Senator Elmer Hough, May 16, 1919.

The hole was drilled 10" for 120 feet; 8" for 1520'; 6 1/2" for the
balance.

8" casing, 660'.

The hole was entirely free from water below the casing, no salt
water in the well at all.A slight showing of oil was found in the upper sand, sufficient
to grease the tools and bailer.All sand struck was very, very hard.

Log was furnished and kept by the driller in charge of the well.
