Well No. 2

U. S. Fluharty's Hrs. Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated.....

May 28th., 1931, made by S. S. Fluharty et als, to

W. H. Bickel, and recorded on the 22nd. day

of July, 1931, in the office of the County Clerk for said County in

Book 59, page 43

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

W. H. Bickel

ADDRESS

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named town or tract of land for oil and gas having fee title thereto (or as the case may be) under grant or lease dated

May 28th, 1931 made by S. S. Fisher et al to

W. H. Bickel and recorded on the 22nd day

of July, 1931 in the office of the County Clerk for said County in

Book 22, page 42

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the town and in the statutory District and County above named, determined by survey and course and distance from two permanent points on land marks.

The undersigned well operator is informed and believes there is no coal operator operating on or beneath said town or tract of land on which said well is located, or within 500 feet of the boundary of the same, who have mapped their workings and their traps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location or which they are entitled to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Such objections must be accompanied by a copy of this notice and accompanying plat by the Department of Mines promptly filed for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as distinctly as is reasonably possible the ground or grounds on which such objections are based and in what particular they are based and in what particular they should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Noted coal operators or coal owners at their above shown respective addresses, hereby, before me on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,
