OIL AND GAS SECTION

To THE DEPARTMENT OF MINES,
Charleston, W. Va.

Porter Ryan, Adm. of A.E. Ryan,
COAL OPERATOR OR COAL OWNER

Macfarlan Richie County W. Va.
ADDRESS

This well was drilled about 1913
to about 1600 feet, and now I

want to drill down to the Berea Sand
in hopes of finding Gas,

not more than 250 or 300 feet,

B.D. Stout,
NAME OF WELL OPERATOR
1354 Market St.

Parkersburg W. Va.
COMPLETE ADDRESS

November 12th, 1934

PROPOSED LOCATION

Murphy District

Dutchmans Run
Richie County

Well No. 3 to be drilled down,

~~AXXXFARM~~ A.E. Ryan Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated 6th day November 1913, made by A.E. Ryan to ~~AXXX~~ A.G. Roberts, and recorded on the day of November 1913, in the office of the County Clerk for said County in

Lease Book 34, page 39

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address day before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

B.D. Stout,
WELL OPERATOR

FARM

DEPARTMENT

The undersigned well operator is entitled to drill upon the above named farm or tract of land for

oil and gas having the title thereto, (or as the case may be) under grant or lease dated July day

November 1918, made by A. E. Ryan, FORSYTH COUNTY, W. VA., to

A. G. Roberts, and recorded on the day

of November 1918, in the office of the County Clerk for said County in

Page 20

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well
to be drilled for oil and gas by the undersigned well operator on the farm and in the Masterman District
and County above named, determined by survey and courses and distances from two permanent points on
land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds
or coal beneath said farm or tract of land on which said well is located, or within 500 feet of the bound-
aries of the same, who have mapped their workings and filed their maps as required by law, excepting the
coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may
desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if
the drilling of a well at said proposed location will cause a dangerous condition in or about their respective
coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of
a copy of this notice and accompanying plat by said Department. Said coal operators are further notified
that forms for use in making such objections will be furnished to them by the Department of Mines promptly
on request and that all such objections must set forth as definitely as is reasonably possible the ground
or grounds on which such objections are based and indicate the direction and distance the proposed location
should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)
Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective addresses day before
on the same day with the mailing or delivery of this copy to the Department of Mines at Charle-
ston, West Virginia.

Very truly yours,

R. D. Stout,

Section 3. If no such objections be filed, or be found by the department of mines, within said period of
ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the depart-
ment shall forthwith issue to the well operator a drilling permit setting the time of such plat, that no objections
have been made by the coal operators to the location, or found thereon by the department, and that the same is
approved and the well operator authorized to proceed to drill at said location.
