Well No. 1-

Royston D. Law Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated July

20th, 1933, made by R. D. Law & wife, to

C.B. Smith & A.B. Hendershot, and recorded on the day

of (Recorded), in the office of the County Clerk for said County in

Book, page

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address day before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

C.B. Smith & A.B. Hendershot

Department

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas having fee title thereto, (or as the case may be) under right or lease dated _____ to _____ made by _____ and to work on the same day _____ in the office of the County Clerk for said County in _____ (Recorded)

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the _____ and in the _____ part of _____ and County above named, determined by survey and courses and distances from two permanent points or land marks. The undersigned well operator is informed and believes there are no coal operators operating here of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundary of the same, who have mapped their workings and filed their names as required by law, excepting the coal operators or coal owners (if any) above named as interested. The above named coal operators or coal owners (if any) are notified that any objections that may here to make to such proposed location or which they are entitled to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators and land owners must file for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth in detail the reasons why it is deemed necessary to require that such objections are based and in fact the location and because the proposed location should be moved to overcome same. (The next paragraph is to be completed only in Department's copy.) Copies of this notice and the enclosed plat were mailed by registered mail or delivered to the above named coal operators or coal owners at their above given respective addresses _____ before _____ or on the same day with the mailing or delivery of this copy to the Department of Mines at _____ West Virginia.

Very truly yours
