PROPOSED LOCATION

Grant District

Ritchie County

Well No. 9

J. W. Marshall Farm

GENTLEMEN:

The undersigned well operator is entitled to drill *deeper* upon the above named farm or tract of land for

oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated.....

June 18, 1898, made by J. W. Marshall and Laura Marshall,

his wife, to T. N. Barnsdall, and recorded on the... day

of....., in the office of the County Clerk for said County in

Lease Book No. 11, page 225, 226, & 227.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours

SOUTH PENN OIL COMPANY,

By *Etton Elving* Land Agent.

Pittsburgh, Pa.

PROPOSED LOCATION
July 1, 1935

County
Pitkin

Operator
J. W. Marshall

June 18, 1935
J. W. Marshall and Laura Marshall

and resided on the
in the office of the County Clerk for said County in

Lease Book No. 11, page 225, 226, & 227.

The enclosed plat was prepared by a competent surveyor and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the land and in the Mineral District and County above named, determined by survey and distance from two permanent points on land water.

The undersigned well operator is informed and believes there are no coal operators operating on or beneath said land or land on which said well is located, or within 500 feet of the boundary of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addresses.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 2 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators or coal owners should file their objections with the Department of Mines promptly and request that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and that the question and location of the proposed location should be moved to overtake same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail or delivered to the above named coal operators or coal owners in their own right or to their respective addresses as shown on the map filed with the Department of Mines on the date of this copy to the Department of Mines at Charleston West Virginia.

Very truly yours,
