RE: Permit No. 085-5643

Under a grant from the Environmental Protection Agency the Office has undertaken to provide the surface owner a copy of the permit, plat, and construction and reclamation plan that has been approved for the above-named well. We sent these documents to the address shown on the application for the surface owner, and it has been returned. Will you please provide us a correct address so that we may forward these documents appropriately.

22-4-1k(b) states that you will "provide the name and address of the surface owner on your application." An incorrect owner name and address is in violation of the Code.
