

Harrisonville

Marshall District, Ritchie County, W. Va.

Authority, Prof. John F. Carl.

On South Fork of Hughes River, south of Washburn P. O.

NOTE by R.V.N. on records: The Prumty field is about 1/3 mile N. E. of White Oak P. O. and the Flannagan field is about 1 mile S. W. of White Oak. The Holbrook field (some gas) is about 2 1/2 mi. S. W. of the same place. Note the good thickness of Pittsburgh Coal in the first two fields. The G. M. Ireland wells almost connect up the two fields.

10" casing, 160'; 8 1/2", 915'.

	Top.	Bottom.	Thickness.
Sandstone	380	400	20
Dunkard or 2nd Cow Run Sand	565	600	35
