Friday, August 3, 2018 WELL WORK PERMIT Horizontal 6A / New Drill

EQT PRODUCTION COMPANY 625 LIBERTY AVE., SUITE 1700

PITTSBURGH, PA 15222

Re: Permit approval for WEU4H15 47-095-02513-00-00

This well work permit is evidence of permission granted to perform the specified well work at the location described on the attached pages and located on the attached plat, subject to the provisions of Chapter 22 of the West Virginia Code of 1931, as amended, and all rules and regulations promulgated thereunder, and to any additional specific conditions and provisions outlined in the pages attached hereto. Notification shall be given by the operator to the Oil and Gas Inspector at least 24 hours prior to the construction of roads, locations, and/or pits for any permitted work. In addition, the well operator shall notify the same inspector 24 hours before any actual well work is commenced and prior to running and cementing casing. Spills or emergency discharges must be promptly reported by the operator to 1-800-642-3074 and to the Oil and Gas Inspector.

Please be advised that form WR-35, Well Operators Report of Well Work is to be submitted to this office within 90 days of completion of permitted well work, as should form WR-34 Discharge Monitoring Report within 30 days of discharge of pits, if applicable. Failure to abide by all statutory and regulatory provisions governing all duties and operations hereunder may result in suspension or revocation of this permit and, in addition, may result in civil and/or criminal penalties being imposed upon the operators.

Per 35 CSR 4-5.2.g this permit will expire in two (2) years from the issue date unless permitted well work is commenced. If there are any questions, please feel free to contact me at (304) 926-0450.

James A. Martin

Chief

Operator's Well Number: WEU4H15

Farm Name: DONNA J. PETER

U.S. WELL NUMBER: 47-095-02513-00-00

Horizontal 6A New Drill Date Issued: 8/3/2018

API Number: 95-02513

#### **PERMIT CONDITIONS**

West Virginia Code § 22-6A-8(d) allows the Office of Oil and Gas to place specific conditions upon this permit. Permit conditions have the same effect as law. Failure to adhere to the specified permit conditions may result in enforcement action.

#### **CONDITIONS**

- 1. This proposed activity may require permit coverage from the United States Army Corps of Engineers (USACE). Through this permit, you are hereby being advised to consult with USACE regarding this proposed activity.
- 2. If the operator encounters an unanticipated void, or an anticipated void at an unanticipated depth, the operator shall notify the inspector within 24 hours. Modifications to the casing program may be necessary to comply with W. Va. Code § 22-6A-5a (12), which requires drilling to a minimum depth of thirty feet below the bottom of the void, and installing a minimum of twenty (20) feet of casing. Under no circumstance should the operator drill more than one hundred (100) feet below the bottom of the void or install less than twenty (20) feet of casing below the bottom of the void.
- 3. When compacting fills, each lift before compaction shall not be more than 12 inches in height, and the moisture content of the fill material shall be within limits as determined by the Standard Proctor Density test of the actual soils used in specific engineered fill, ASTM D698, Standard Test Method for Laboratory Compaction Characteristics of Soil Using Standard Effort, to achieve 95 % compaction of the optimum density. Each lift shall be tested for compaction, with a minimum of two tests per lift per acre of fill. All test results shall be maintained on site and available for review.
- 4. Operator shall install signage per § 22-6A-8g (6) (B) at all source water locations included in their approved water management plan within 24 hours of water management plan activation.
- 5. Oil and gas water supply wells will be registered with the Office of Oil and Gas and all such wells will be constructed and plugged in accordance with the standards of the Bureau for Public Health set forth in its Legislative rule entitled Water Well Regulations, 64 C.S.R. 19. Operator is to contact the Bureau of Public Health regarding permit requirements. In lieu of plugging, the operator may transfer the well to the surface owner upon agreement of the parties. All drinking water wells within fifteen hundred feet of the water supply well shall be flow tested by the operator upon request of the drinking well owner prior to operating the water supply well.
- 6. Pursuant to the requirements pertaining to the sampling of domestic water supply wells/springs the operator shall, no later than thirty (30) days after receipt of analytical data provide a written copy to the Chief and any of the users who may have requested such analyses.
- 7. 24 hours prior to the initiation of the completion process the operator shall notify the Chief or his designee.
- 8. During the completion process the operator shall monitor annular pressures and report any anomaly noticed to the chief or his designee immediately.
- 9. If any explosion or other accident causing loss of life or serious personal injury occurs in or about a well or well work on a well, the well operator or its contractor shall give notice, stating the particulars of the explosion or accident, to the oil and gas inspector and the Chief, within 24 hours of said accident.
- 10. During the casing and cementing process, in the event cement does not return to the surface, the oil and gas inspector shall be notified within 24 hours.

API Number: 95-02513

## PERMIT CONDITIONS

11. The operator shall provide to the Office of Oil and Gas the dates of each of the following within 30 days of their occurrence: completion of construction of the well pad, commencement of drilling, cessation of drilling, cessation of drilling, sending an email to DEPOOGNotify@wv.gov.

19) Describe proposed well work, including the drilling and plugging back of any pilot hole:

Drill and complete a new horizontal well in the Marcellus Formation. Drill the vertical to an approximate depth of 3700'. Kick off and drill curve. Drill the lateral in the Marcellus. Cement casing.

20) Describe fracturing/stimulating methods in detail, including anticipated max pressure and max rate:

Hydraulic fracturing is completed in accordance with state regulations using water recycled from previously fractured wells and obtained from freshwater sources. This water is mixed with sand and a small percentage (less than 0.1%) of chemicals (including 15% Hydrochloric acid, friction reducer, biocide, and scale inhibitor), referred to in the industry as a "slickwater" completion. Maximum anticipated internal casing pressure is expected to be approximately 10000 psi, maximum anticipated treating rates are expected to average approximately 100 bpm. Stage lengths vary from 150 to 300 feet. Average approximately 350,000 gallons of water per stage. Sand sizes vary from 100 mesh to 20/40 mesh. Average approximately 400,000 pounds of proppant per stage.

- 21) Total Area to be disturbed, including roads, stockpile area, pits, etc., (acres): No Additional
- 22) Area to be disturbed for well pad only, less access road (acres): No Additional
- 23) Describe centralizer placement for each casing string:
- Surface: Bow spring centralizers One at the shoe and one spaced every 500'.
- Intermediate: Bow spring centralizers— One cent at the shoe and one spaced every 500'.
- Production: One solid body cent spaced every joint from production casing shoe to KOP

24) Describe all cement additives associated with each cement type:

Conductor: Class A no additives
Surface (Type 1 Cement): 0-3% Calcium Chloride. Used to speed the setting of cement slumes, 25% Flake Loss Circulation Material (LCM)
Intermediate (Class H Cement): 0-3% Calcium Chloride. Used to speed the setting of cement slumes, 0.25% flake, Loss Circulation Material (LCM) .6% Super FL-300 (fluid loss/lengthens thickening time)

Lead (Class A Cement): 0.2% CD-20 (dispersant makes cement easier to mix) .15% SuperFL-300 (fluid loss) lengthens thickening time) .15% SEC-10 (fluid loss) 50:50 POZ (extender)
Tail (Class A Cement): 0.2% Super CR-1 (Retarder). Lengthens thickening time. .3% Super FL-200 (fluid loss) .2% SEC-10 (Fluid loss). .2% SuperFL-350 (fluid loss) Reduces amount of water lost to formation. 60 % Calculm Carbonate. Acid solubility. RECEIVED Office of Oil and das

#### 25) Proposed borehole conditioning procedures:

25) Proposed borehole conditioning procedures.

Surface: Circulate hole clean while rotating & reciprocating the drill string until cuttings diminished Protect on surface.

Intermediate: Circulate hole clean while rotating & reciprocating the drill string until cuttings diminish at

Production: Pump marker sweep with nut plug to determine actual hole washout. Calculate a gauge holes bottoms up volume. Perform a cleanup cycle by pumping 3-5 bottoms up or until the shakers are clean. Check volume of cuttings coming across the shakers every 15 minutes.

\*Note: Attach additional sheets as needed.

EQT Production

Hydraulic Fracturing Monitoring Plan
Pad ID: WEU4

County Tyler

4/01/18

RECEIVED Office of Oil and Gas

MAY 09 2018

#### Purpose

The purpose of this pad-specific Hydraulic Fracturing Monitoring Plan is to identify and notify conventional well operators near EQT hydraulic fracturing in Tyler County, WV prior to hydraulic fracturing at the following EQT wells on WEU4 pad: WEU4H5, WEU4H6, WEU4H10, WEU4H11, WEU4H11, WEU4H13, WEU4H14, WEU4H15.

Due to the requirements under 35CSR8 5.11, the permittee is required to review the area surrounding the proposed well pad so as to identify and evaluate potential conduits for unintended fracture propagation.

A report is required to be submitted along with a well work permit application.

The plan is being implemented as an additional safety measure to be utilized in conjunction with existing best management practices and emergency action plans for the site. These additional measures include coordination with well operators of the timing and location of the hydraulic fracturing, establishment of measures well operators should implement, and assurance that the OOG is notified of the timeline, as well as any issues that may arise during fracturing.

#### Communications with Well Operators

EQT, using available data (WV Geological Survey, WVDEP website, and IHS data service), has identified all known wells and well operators within 500 feet of this pad and the lateral sections that are known or could reasonably be expected to be within range of the fracture propagation. A map showing these wells along with a list of the wells and operators is included in **Attachment A**.

EQT will notify these operators of the hydraulic fracturing schedule for these wells, and coordinate with them throughout the fracturing process.

EQT will recommend to these operators at a minimum to:

- Inspect their surface equipment prior to fracturing to establish integrity and establish prefrac well conditions
- Observe wells closely during and after fracturing and monitor for abnormal increases in water, gas or pressure
- Inspect or install master valves or other necessary equipment for wellhead integrity capable of a pressure recommended by EQT
- Notify the OOG and EQT if any changes in water, gas production, pressure, or other anomalies are identified

#### 2. Reporting

EQT will provide information relating to the hydraulic fracturing schedule, communication with other operators, and ongoing monitoring of the work upon request of OOG or immediately i和原文的 part noted abnormalities.

Re: Casing plan on Wells (WEU4)

Lecca Wangheet

Dear Mr. Smith,

EQT is requesting the 13 3/8" surface casing to be set at 750' KB, 50' below the workable coal at 700' KB. We will set the 9-5/8" intermediate string at 2865' KB, 50' below the base of the Gordon formation.

If you have any questions, please do not hesitate to contact me at (304) 848-0035.

Sincerely,

Rebecca Wanstreet

Re: Cement Variance Request

Dear Sir or Madam,

This agency is approving a variance request for the cement blend listed below to be used on surface and coal protection strings for the drilling of oil and gas wells in the state of West Virginia. The variance cannot be used without requesting its use on a permit application and approval by this agency:

Type 1 (2% Calcium Chloride-Accelerator, 0.25% Super Flake-Lost Circulation, 5.2% Water, 94% Type "1" Cement)

If you have any questions regarding this matter feel free to contact me at 304-926-0499, ext. 1653.

Sincerely

James Peterson

Environmental Resources Specialist / Permitting

Promoting a healthy environment.

#### BEFORE THE OFFICE OF OIL AND GAS DEPARTMENT OF ENVIRONMENTAL PROTECTION STATE OF WEST VIRGINIA

IN THE MATTER OF A VARIANCE FROM	)	ORDER NO.	2014 - 17
REGULATION 35 CSR § 4-11.4/11.5/14.1	)		
AND 35 CSR § 8-9.2.h. 4/5/6/8 OF THE	)		
THE OPERATIONAL	)		
REGULATIONS OF CEMENTING OIL	)		
AND GAS WELLS	)		

#### REPORT OF THE OFFICE

Nabors Completion & Production Services Co. requests approval of a different cement blend for use in cementing surface and coal protection casing of oil and gas wells.

#### FINDINGS OF FACT

- 1.) Nabors Completion & Production Services Co. proposes the following cement blend:
  - 2% Calcium Chloride (Accelerator)
  - 0.25 % Super Flake (Lost Circulation)
  - 94% Type "1" Cement
  - 5.20 % Water
- Laboratory testing results indicate that the blend listed in Fact No.1 will achieve a 500
  psi compressive strength within 6 hours and a 2,435 psi compressive strength within 24
  hours.

Promoting a healthy environment.

RECEIVED Office of Oil and Gas

MAY 09 2018

#### CONCLUSIONS OF LAW

Pursuant to Articles 6 and 6A, Chapter 22 of the Code of West Virginia, the Office of Oil and Gas has jurisdiction over the subject matter embraced in said notice, and the persons interested therein, and jurisdiction to promulgate the hereinafter prescribed Order.

Pursuant to 35 CSR § 4-11.5 and 35 CSR § 8-9.2.h.8 the Chief of the Office of Oil and Gas may approve different cement blends upon the well operator providing satisfactory proof that different cement types are adequate.

#### ORDER

It is ordered that Nabors Completion & Production Services Co. may use the cement blend listed in Findings of Fact No.1 for the cementing of surface and coal protection casing of oil and gas wells in the State as may be requested by oil and gas operators. The waiting time on the cement blend shall be 8 hours. The cement blend shall be mixed in strict accordance with the specifications for each blend and weight measurements made on-site to assure the cement slurries meet the minimum weight specifications. A sample shall be collected and, if after 8 hours the cement is not set up, additional time will be required. Nabors Completion & Production Services Co. shall keep a record of cement blend jobs in which the cement blend approved under this order is to be used and made available to the Office of Oil and Gas upon request.

Dated this, the 18th day of March, 2014.

Drilling medium anticipated for this well (vertical and horizontal)? Air, freshwater, oil based, etc.

 Air is used to drill the top-hole sections of the wellbore (surface, intermediate, and pilot). Water based mud may be necessary depending on hole conditions to stabilize and drill the intermediate section. The pilot hole, curve, and lateral sections will be drilled with either air, water based mud, or oil based mud.

#### Additives to be used in drilling medium?

Air - biodegradable oil lubricant, detergent, defoaming, water. Water based mud – Barite, viscosifer, alkalinity control, lime, filtration control, deflocculates, biodegradable oil lubricant, defoaming, walnut shell, salt, x-cide, carbonates. Oil based mud – synthetic base oil, emulsifier, salt, lime, viscosifer, alkalinity control, filtration control, deflocculates, biodegradable oil lubricant, defoaming, carbonates.

#### AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of December 10, 1990, between CNG Development Company, a Delaware corporation ("CNGD") and CNG Producing Company, a Delaware corporation ("CNGP") (which two Delaware corporations are hereinafter sometimes collectively referred to as the "Constituent Corporations").

WHEREAS, as of December 1, 1990, CNGD had authorized capital stock consisting of 1,400,000 shares of Common Stock, par value \$100 per share ("CNGD Common Stock"), of which 1,168,410 shares were issued and outstanding; and

WHEREAS, as of December 1, 1990, CNGP had authorized capital stock consisting of 5,000,000 shares of Common Stock, par value \$100 per share ("CNGP Common Stock"), of which 4,040,000 shares were issued and outstanding; and

WHEREAS, Consolidated Natural Gas Company ("CNG") is, and will continue until the Effective Time of the Merger to be, the record and beneficial owner of all of the outstanding shares of CNGD Common Stock and CNGP Common Stock; and

WHEREAS, the respective Boards of Directors of the

Constituent Corporations and of their sole stockholder, CNG, deem

it fair and equitable to the Constituent Corporations that the

Constituent Corporations be merged into a single corporation,

with CNGP being the surviving corporation, on the terms and

conditions herein set forth, all under and pursuant to the

General Corporation Law of the State of Delaware; and the Boards

of Directors of each of such corporations have approved this Office of Oil and Gas

Agreement;

MAY 0 9 2018

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, and for the WV Department of purpose of prescribing the terms and conditions of the merger,

-BK 096 PG 0 126

the mode of carrying the same into effect, the manner and basis of converting or exchanging the shares of CNGD Common Stock and CNGP Common Stock into shares of CNGP common stock, \$10,000 par value per share ("CNGP New Common Stock"), and such other details and provisions as are deemed necessary or desirable, the parties hereto agree in accordance with the General Corporation Law of the State of Delaware that CNGD and CNGP shall be, and they hereby are, at the Effective Time of the Merger, merged into a single corporation existing under the laws of the State of Delaware, to-wit, CNGP, one of the Constituent Corporation which shall be the surviving corporation (CNGP in its capacity as surviving corporation being hereinafter sometimes called the "Surviving Corporation"), and the parties hereto adopt and agree to the following agreements, terms and conditions relating to the merger and the mode of carrying the merger into effect.

#### ARTICLE I

In accordance with the provisions of the General Corporation Law of the State of Delaware, CNGD and CNGP shall be, at the Effective Time of the Merger, merged into a single corporation, to-wit, CNGP, which shall be the Surviving Corporation, and CNGP, as the Surviving Corporation, shall continue to exist by virtue of, and to be governed by, the laws of the State of Delaware.

#### ARTICLE II

Except as herein specifically set forth, the identity, existence, purposes, powers, objects, franchises, privileges, rights and immunities of CNGP shall continue unaffected and unimpaired by the merger, and the corporate franchises, existence and rights of the Constituent Corporations shall be merged into a RECEIVED single corporation, to-wit, CNGP, and CNGP, as the SurvivingOffice of ON and Corporation, shall be fully vested therewith. The separate existence and corporate organization of CNGD, except insofar as MAY 0 9 2018 they may be continued by statute, shall cease at the Effective VV Department of

Environmental Protection

3K 96 PG 0 1 2 7

Time of the Merger.

This Agreement and merger shall not become effective until, and shall become effective at, 12:00 o'clock midnight, Delaware Time, on the later of January 1, 1991, or the day on which the following actions shall all have been completed; (i) this Agreement shall have been adopted by the stockholder of each of the Constituent Corporations in accordance with the requirements of the laws of the State of Delaware and that fact shall have been certified hereon by the Secretary or an Assistant Secretary of each of the Constituent Corporations under its corporate seal, and (ii) this Agreement, adopted and certified as aforesaid, shall have been executed and filed in accordance with Section 103 of the General Corporation Law of the State of Delaware.

The time when this Agreement and the merger shall become effective is herein called the "Effective Time of the Merger." The time when this Agreement shall be filed in accordance with Section 103 of the General Corporation Law of the State of Delaware is herein called the "Time of Filing."

#### ARTICLE III

From and after the Effective Time of the Merger, the Certificate of Incorporation of CNGP as in effect immediately prior to the Effective Time of the Merger shall be the Certificate of Incorporation of the Surviving Corporation until duly amended in accordance with law except that the following change shall be made effective as of the Effective Time of the Merger:

Present Article FOURTH, which now reads as follows:

RECEIVED
Office of Oil and Gas

MAY 0 9 2018

3K 96 PG 0 1 28

"FOURTH The amount of the total authorized capital stock of the Corporation is Five Hundred Million Dollars (\$500,000,000) divided into Five Million (5,000,000) shares of One Hundred Dollars (\$100) par

shall be amended to read as follows:

value each.#

"FOURTH The amount of the total authorized capital stock of the Corporation is Seven Hundred Million Dollars (\$700,000,000) divided into Seventy Thousand (70,000) shares of Ten Thousand Dollars (\$10,000) par value each."

The By-Laws of CNGP in effect immediately prior to the Effective Time of the Merger shall be the By-Laws of the Surviving Corporation after the Effective Time of the Merger until amended as therein provided.

The directors of CNGP in office at the Effective Time of the Merger shall be the directors of the Surviving Corporation until their successors are elected in accordance with the By-Laws of the Surviving Corporation.

The officers of CNGP in office at the Effective Time of the Merger shall be the officers of the Surviving Corporation until their successors are elected or appointed in accordance with the By-Laws of the Surviving Corporation.

ARTICLE IV

RECEIVED

Office of Oil and Gas

The manner and basis of converting or exchanging the shares of CNGD Common Stock and CNGP Common Stock into shares of CNGP MAY 0 9 2018

New Common Stock shall be as follows:

3K 96PG0129

- (a) By virtue of the merger and without any action on the part of the holder thereof, each share of CNGD Common Stock which shall be outstanding and owned of record by CNG immediately prior to the Effective Time of the Merger shall be converted into and exchanged for one-hundredth of a share of CNGP New Common Stock.
- (b) By virtue of the merger and without any action on the part of the holder thereof, each share of CNGP Common Stock which shall be outstanding immediately prior to the Effective Time of the Merger shall be converted into and exchanged for one-hundredth of a share of CNGP New Common Stock.
- (c) After the Effective Time of the Merger, CNG as holder of the outstanding certificate or certificates which prior thereto represented shares of common stock of the Constituent Corporations shall surrender the same to the Surviving Corporation. CNG shall be entitled upon the surrender to receive in exchange therefor a certificate or certificates representing the number of whole shares of CNGP New Common Stock for which the shares theretofore represented by the certificate or certificates so surrendered shall have been converted and for which they shall have been so exchanged. Until so surrendered and exchanged, each outstanding certificate which, prior to the Effective Time of the Merger, represented shares of CNGD Common Stock or CNGP Common Stock shall be deemed for all purposes, subject to the further provisions of this Article IV, to represent the number of whole shares of CNGP New Common Stock for which the shares have been converted and exchanged.
- (d) No fraction of a share of CNGP New Common Stock will be issued, but in lieu thereof, CNG as the holder of shares of CNGD RECEIVED Common Stock and CNGP Common Stock who would otherwise have been entitled to a fraction of a share of CNGP New Common stock will be entitled to receive cash in an amount equal to the fraction MAY 0 9 2018 times \$10,000.

## 3K 1096 PG 0 1 3 0

(e) At the Effective Time of the Merger, the holder of certificates for shares of CNGD Common Stock and CNGP Common Stock shall thereupon cease to have any rights in respect of the shares and, except as provided in subparagraphs (b), (c) and (d) of this Article IV, its sole rights shall be in respect of the shares of CNGP New Common Stock into which the shares of CNGD Common Stock or CNGP Common Stock shall have been converted and exchanged in the merger.

#### ARTICLE V

At the Effective Time of the Merger, all and singular the rights, privileges, powers and franchises, as well of a public as of a private nature, and all the property, real, personal and mixed, of each of the Constituent Corporations, and all debts due to either of them on whatever account, including subscriptions to shares and all other things in action, or belonging to either of them, shall be taken and deemed to be transferred to, and shall be vested in, the Surviving Corporation without further act or deed; and all property, rights, privileges, powers and franchises and all and every other interest shall be thereafter as effectively the property of the Surviving Corporation as they were of the Constituent Corporations, and the title to any real estate vested by deed or otherwise in any of the Constituent Corporations shall not revert or be in any way impaired by reason of the merger; but the Surviving Corporation shall thenceforth be liable for all debts, liabilities, obligations, duties and penalties of each of the Constituent Corporations, and all said debts, liabilities, obligations, duties and penalties shall thenceforth attach to the Surviving Corporation and may be enforced against it to the same extent as if said debts, liabilities, obligations, duties and penalties had been incurRECEIVED or contracted by it. No liability or obligation due or toffice of Oil and Gas due at the Effective Time of the Merger, or any claim or demand MAY **09** 2018 for any cause then existing against any of the Constituent

₩1096PG0131

Corporations or any stockholder, officer or director thereof, shall be released or impaired by the merger and all rights of creditors and all liens upon any property of any of the Constituent Corporations shall be preserved unimpaired.

#### ARTICLE VI

From time to time, as and when requested by the Surviving Corporation, or by its successors or assigns, CNGD shall execute and deliver or cause to be executed and delivered all such deeds and other instruments, and shall take or cause to be taken all such further or other actions, as the Surviving Corporation, or its successors or assigns, may deem necessary or desirable in order to vest in and confirm to the Surviving Corporation and its successors and assigns, title to and possession of all the property, rights, privileges, powers and franchises referred to in Article V hereof and otherwise to carry out the intent and purposes of this Agreement.

#### ARTICLE VII

- (a) Subject to the provisions of this Article VII, this Agreement shall be submitted at the earliest practicable date to CNG as the sole stockholder of each of the Constituent Corporations for adoption and, if adopted by the vote or written consent of the sole stockholder of each of the Constituent Corporations required by statute or the Certificate of Incorporation of each of the Constituent Corporations, shall be made effective as soon as practicable thereafter in the manner provided in Article II hereof.
- (b) This Agreement may be terminated at any time prior to RECEIVED the Time of Filing by action of the Board of Directors of an Office of OH and Gas the Constituent Corporations if

  MAY 0 9 2018
  - (1) there shall be any actual or threatened action WV Department of Environmental Protection

## 9K 096PG0132

proceeding by or before any court or other governmental body which shall seek to restrain, prohibit or invalidate the transactions contemplated by this Agreement or which might affect the right of CNG or the Surviving Corporation to own, operate or control after the Time of Filing the stock, assets, property or business of CNGD and CNGP; or

- (2) the merger shall not have become effective on January 1, 1991, or prior to such later date as shall have been approved by the Board of Directors of each of the Constituent Corporations; or
- (3) the other Constituent Corporation shall fail to comply in any material respect with any of their agreements contained herein, or any of the representations or warranties of the other Constituent Corporation contained herein shall be inaccurate in any material respect; or
- (4) any action (such as the obtaining of any consent of another party to an agreement or of any governmental approval or consent) that shall be required to be taken by any of the Constituent Corporations in order to effect the merger shall not have been taken prior to the Time of Filing.
- (c) This Agreement may be terminated at any time prior to the Effective Time of the Merger, whether or not approved by the stockholder of the Constituent Corporations, by mutual consent of the Constituent Corporations, expressed by action of their respective Boards of Directors. In the event for any reason this Agreement ceases to be binding upon the Constituent Corporations because of termination as provided herein or otherwise, it shall thenceforth be void without further action by CNG as the sole RECEIVED Stockholder of the Constituent Corporations.

MAY 09 2018

(d) The consummation of the merger is specifically

conditioned upon CNG and the Constituent Corporations obtaining prior authorization of the Securities and Exchange Commission, as required pursuant to the Public Utility Holding Company Act of 1935, for the proposed transaction contemplated by this Agreement. Such authorization shall be obtained prior to the Time of Filing.

#### ARTICLE VIII

Each of the Constituent Corporations hereby severally represents and warrants (as "Representing Corporation") to the other Constituent Corporation as follows:

- (a) Representing Corporation is a corporation duly organized and existing and in good standing under the laws of the State of Delaware. Representing Corporation has the corporate power to carry on its business as now being conducted. Each subsidiary (if any) of Representing Corporation is a corporation duly organized and existing and in good standing under the laws of the state of its incorporation and has the corporate power and authority to carry on its business as now being conducted.
- (b) The capitalization of Representing Corporation was as set forth in the Form U5S of CNG for the year ended December 31, 1989. Except as set forth herein, Representing Corporation does not have any issued or outstanding shares of capital stock and does not have any outstanding subscriptions, warrants, options or other agreements or commitments obligating Representing Corporation to issue shares of its capital stock.
- (c) There are no material actions, suits or proceedings pending or threatened against or affecting Representing Corporation, any subsidiary or their respective properties or RECEIVED business, at law or in equity, or before or by any Federal, Office of OH and Gas state, municipal or other governmental department, commission, MAY 09 2018 board, bureau, agency or instrumentality, domestic or foreign

**109**6 PG 0 1 3 4

which has not been previously disclosed to the other Constituent Corporation and CNG.

- (d) The Board of Directors of Representing Corporation has approved the Merger Agreement and the transactions contemplated hereby and has authorized the execution and delivery of such agreement by Representing Corporation. Representing Corporation has full power, authority and legal right to enter into such agreement and, upon appropriate vote or consent of its sole stockholder in accordance with law and its Certificate of Incorporation, to consummate the transactions contemplated hereby.
- (e) Neither the execution and delivery of the Merger Agreement nor the consummation of the transactions contemplated hereby will result in the breach of any term or provision of the Certificate of Incorporation or the By-Laws of Representing Corporation, or result in the breach of any material term or provision of, or constitute a default or result in the acceleration of any material obligation under, any agreement or other instrument to which Representing Corporation is a party or by which it is bound.

#### ARTICLE IX

- (a) For the convenience of the parties hereto and to facilitate the filing and recording of this Agreement, any number of counterparts hereof may be executed, and each counterpart shall be deemed to be an original instrument.
- (b) At any time prior to the Time of Filing, the parties hereto may, by written agreement (i) extend the time for the performance of any of the obligations or other acts of the parties hereto, (ii) waive any inaccuracies in the representations and warranties contained in this Agreement or in MAY 0 9 2018 any document delivered pursuant hereto and (iii) waive compliance

٠. ٠

# **№1096**PG0135

with any of the conditions, covenants or agreements contained in this Agreement.

- Any representations and warranties of any of the Constituent Corporations contained herein, or in any document furnished pursuant hereto or pursuant to this Agreement shall not survive the merger, and, none of the Constituent Corporations, or their respective stockholder, directors or officers, shall have any liability to any other after the Effective Time of the Merger on account of any breach or failure or the incorrectness of any of the representations and warranties.
- Except as otherwise provided in this Agreement, nothing herein expressed or implied is intended, nor shall be construed, to confer upon or give any person, firm or corporation, other than the Constituent Corporations and their respective security holders, any rights or remedies under or by reason of this Agreement.
- Any notice which a party hereto may desire to serve upon the other shall be in writing and shall be conclusively deemed to have been received by the party to whom addressed if mailed, postage prepaid, certified mail, return receipt requested, to the following addresses:

OPERATOR WELL NO. WEU4H15

Well Pad Name: WEU4

#### Notice is hereby given:

Pursuant to West Virginia Code § 22-6A-10(b), notice is hereby given that the undersigned well operator has applied for a permit for well work or for a certificate of approval for the construction of an impoundment or pit.

#### This Notice Shall Include:

Pursuant to W. Va. Code § 22-6A-10(b), this notice shall include: (1) copies of the application; (2) the erosion and sediment control plan required by section seven of this article; and (3) the well plat.

Pursuant to W. Va. Code § 22-6A-10(f), this notice shall include: (1) a statement of the time limits for filing written comments; (2) who may file written comments; (3) the name and address of the secretary for the purpose of filing the comments and obtaining additional information; and (4) a statement that the persons may request, at the time of submitting written comments, notice of the permit decision and a list of persons qualified to test water.

Pursuant to W. Va. Code R. § 35-8-5.7.a, the operator shall provide the Well Site Safety Plan to the surface owner and any water purveyor or surface owner subject to notice and water testing as provided in section 15 of this rule.

Pursuant to W. Va. Code R. § 35-8-15.2.c, this notice shall: (1) contain a statement of the surface owner's and water purveyor's right to request sampling and analysis; (2) advise the surface owner and water purveyor of the rebuttable presumption for contamination or deprivation of a fresh water source or supply; advise the surface owner and water purveyor that refusal to allow the operator to conduct a pre-drilling water well test constitutes a method to rebut the presumption of liability; (3) advise the surface owner and water purveyor of his or her independent right to sample and analyze any water supply at his or her own expense; advise the surface owner and water purveyor whether or not the operator will utilize an independent laboratory to analyze any sample; and (4) advise the surface owner and or water purveyor that he or she can obtain from the Chief a list of water testing laboratories in the subject area capable of and qualified to test water supplies in accordance with standard acceptable methods.

Additional information related to horizontal drilling may be obtained from the Secretary, at the WV Department of Environmental Protection headquarters, located at 601 57<sup>th</sup> Street, SE, Charleston, WV 25304 (304-926-0450) or by visiting <a href="https://www.dep.wv.gov/oil-and-gas/pages/default.aspx">www.dep.wv.gov/oil-and-gas/pages/default.aspx</a>.

#### **Well Location Restrictions**

Pursuant to W. Va. Code § 22-6A-12, Wells may not be drilled within two hundred fifty feet measured horizontally from any existing water well or developed spring used for human or domestic animal consumption. The center of well pads may not be located within six hundred twenty-five feet of an occupied dwelling structure, or a building two thousand five hundred square feet or larger used to house or shelter dairy cattle or poultry husbandry. This limitation is applicable to those wells, developed springs, dwellings or agricultural buildings that existed on the date a notice to the surface owner of planned entry for surveying or staking as provided in section ten of this article or a notice of intent to drill a horizontal well as provided in subsection (b), section sixteen of this article was provided, whichever occurs first, and to any dwelling under construction prior to that date. This limitation may be waived by written consent of the surface owner transmitted to the department and recorded in the real property records maintained by the clerk of the county commission for the county in which such property is located. Furthermore, the well operator may be granted a variance by the secretary from these distance restrictions upon submission of a plan which identifies the sufficient measures, facilities or practices to be employed during well site construction, drilling and operations. The variance, if granted, shall include terms and conditions the department requires to ensure the safety and protection of affected persons and property. The terms and conditions may include insurance, bonding and indemnification, as well as technical requirements. (b) No well pad may be prepared or well drilled within one hundred feet measured horizontally from any perennial stream, natural or artificial lake, pond or reservoir, or a wetland, or within three hundred feet of a naturally reproducing trout stream. No well pad may be located within one thousand feet of a surface or ground water intake of a public water supply. The distance from the public water supply as identified by the department shall be measured as follows: (1) For a surface water intake on a lake or reservoir, the distance shall be measured from the boundary of the lake or reservoir. (2) For a surface water intake on a flowing stream, the distance shall be measured from a semicircular radius extending upstream of the surface water intake. (3) For a groundwater source, the distance shall be measured from the wellhead or spring. The department may, in its discretion, waive these distance restrictions upon submission of a plan identifying sufficient measures, facilities or practices to be employed during well site construction, drilling and operations to protect the waters of the state. A waiver, if graphed shall impose any permit conditions as the secretary considers necessary. (c) Notwithstanding the foregoing provisions of this section, nothing sentained in this section prevents an operator from conducting the activities permitted or authorized by a Clean Water Act Section 10 apprint of the section prevents and operator from conducting the activities permitted or authorized by a Clean Water Act Section 10 apprint of the section prevents and operator from conducting the activities permitted or authorized by a Clean Water Act Section 10 apprint of the section prevents and operator from conducting the activities permitted or authorized by a Clean Water Act Section 10 apprint of the section prevents and the section 10 apprint of the section 10 appri other approval from the United States Army Corps of Engineers within any waters of the state or within the restricted areas reference in this section. (d) The well location restrictions set forth in this section shall not apply to any well on a multiple MAN padoif at least one of the wells was permitted prior to the effective date of this article. (e) The secretary shall, by December 31, 2012, report to the Legislature on the noise, light, dust and volatile organic compounds generated by the drilling of horizontal wells as they relate to the well location restrictions regarding occupied dwelling structures pursuant to this section. Upon a finding if any, by the social offat the well location restrictions regarding occupied dwelling structures are inadequate or otherwise require alternation compounds. WW-6A (8-13) API NO 44 7 95 0 9 5 0 2 5 1 3

Well Pad Name: WEU4

examined in the study required by this subsection, the secretary shall have the authority to propose for promulgation legislative rules establishing guidelines and procedures regarding reasonable levels of noise, light, dust and volatile organic compounds relating to drilling horizontal wells, including reasonable means of mitigating such factors, if necessary.

#### Water Well Testing:

Pursuant to West Virginia Code § 22-6A-10(d), notification shall be made, with respect to surface landowners identified in subsection (b) or water purveyors identified in subdivision (5), subsection (b) of this section, of the opportunity for testing their water well. The operator shall provide an analysis to such surface landowner or water purveyor at their request.

#### Water Testing Laboratories:

Pursuant to West Virginia Code § 22-6A-10(i), persons entitled to notice pursuant to subsection (b) of this section may contact the department to ascertain the names and locations of water testing laboratories in the subject area capable and qualified to test water supplies in accordance with standard accepted methods. In compiling that list of names the department shall consult with the state Bureau for Public Health and local health departments. A surface owner and water purveyor has an independent right to sample and analyze any water supply at his or her own expense. The laboratory utilized by the operator shall be approved by the agency as being certified and capable of performing sample analyses in accordance with this section.

#### Rebuttable Presumption for Contamination or Deprivation of a Fresh Water Source or Supply:

W. Va. Code § 22-6A-18 requires that (b) unless rebutted by one of the defenses established in subsection (c) of this section, in any action for contamination or deprivation of a fresh water source or supply within one thousand five hundred feet of the center of the well pad for horizontal well, there is a rebuttable presumption that the drilling and the oil or gas well or either was the proximate cause of the contamination or deprivation of the fresh water source or supply. (c) In order to rebut the presumption of liability established in subsection (b) of this section, the operator must prove by a preponderance of the evidence one of the following defenses: (1) The pollution existed prior to the drilling or alteration activity as determined by a predrilling or prealteration water well test. (2) The landowner or water purveyor refused to allow the operator access to the property to conduct a predrilling or prealteration water well test. (3) The water supply is not within one thousand five hundred feet of the well. (4) The pollution occurred more than six months after completion of drilling or alteration activities. (5) The pollution occurred as the result of some cause other than the drilling or alteration activity. (d) Any operator electing to preserve its defenses under subdivision (1), subsection (c) of this section shall retain the services of an independent certified laboratory to conduct the predrilling or prealteration water well test. A copy of the results of the test shall be submitted to the department and the surface owner or water purveyor in a manner prescribed by the secretary. (e) Any operator shall replace the water supply of an owner of interest in real property who obtains all or part of that owner's supply of water for domestic, agricultural, industrial or other legitimate use from an underground or surface source with a comparable water supply where the secretary determines that the water supply has been affected by contamination, diminution or interruption proximately caused by the oil or gas operation, unless waived in writing by that owner. (f) The secretary may order the operator conducting the oil or gas operation to: (1) Provide an emergency drinking water supply within twenty-four hours; (2) Provide temporary water supply within seventy-two hours; (3) Within thirty days begin activities to establish a permanent water supply or submit a proposal to the secretary outlining the measures and timetables to be used in establishing a permanent supply. The total time in providing a permanent water supply may not exceed two years. If the operator demonstrates that providing a permanent replacement water supply cannot be completed within two years, the secretary may extend the time frame on case-by-case basis; and (4) Pay all reasonable costs incurred by the real property owner in securing a water supply. (g) A person as described in subsection (b) of this section aggrieved under the provisions of subsections (b), (e) or (f) of this section may seek relief in court... (i) Notwithstanding the denial of the operator of responsibility for the damage to the real property owner's water supply or the status of any appeal on determination of liability for the damage to the real property owner's water supply, the operator may not discontinue providing the required water service until authorized to do so by the secretary or a court of competent jurisdiction.

#### Written Comment:

Pursuant to West Virginia Code § 22-6A-11(a), all persons described in subsection (b), section ten of this article may file written comments with the secretary as to the location or construction of the applicant's proposed well work within thirty days after the application is filed with the secretary. All persons described in West Virginia Code § 22-6A-10(b) may file written comments as to the location or construction of the applicant's proposed well work to the Secretary at:

Chief, Office of Oil and Gas
Department of Environmental Protection
601 57<sup>th</sup> St. SE
Charleston, WV 25304
(304) 926-0450

Office of Oil and Gas

MAY 09 2018

Such persons may request, at the time of submitting written comments, notice of the permit decision and an appartment of the test water. NOTE: YOU ARE NOT REQUIRED TO FILE ANY COMMENT.

Well Pad Name: WEU4

#### Time Limits and Methods for Filing Comments.

The law requires these materials to be served on or before the date the operator files its Application. You have THIRTY (30) DAYS after the filing date to file your comments. Comments must be filed in person or received in the mail by the Chief's office by the time stated above. You may call the Chief's office to be sure of the date. Check with your postmaster to ensure adequate delivery time or to arrange special expedited handling. If you have been contacted by the well operator and you have signed a "voluntary statement of no objection" to the planned work described in these materials, then the permit may be issued at any time.

Pursuant to West Virginia Code § 22-6A-11(c)(2), Any objections of the affected coal operators and coal seam owners and lessees shall be addressed through the processes and procedures that exist under sections fifteen, seventeen and forty, article six of this chapter, as applicable and as incorporated into this article by section five of this article. The written comments filed by the parties entitled to notice under subdivisions (1), (2), (4), (5) and (6), subsection (b), section ten of this article shall be considered by the secretary in the permit issuance process, but the parties are not entitled to participate in the processes and proceedings that exist under sections fifteen, seventeen or forty, article six of this chapter, as applicable and as incorporated into this article by section five of this article.

#### **Comment Requirements**

Your comments must be in writing and include your name, address and telephone number, the well operator's name and well number and the approximate location of the proposed well site including district and county from the application. You may add other documents, such as sketches, maps or photographs to support your comments.

Disclaimer: All comments received will be placed on our web site <a href="http://www.dep.wv.gov/oil-and-gas/Horizontal-Permits/Pages/default.aspx">http://www.dep.wv.gov/oil-and-gas/Horizontal-Permits/Pages/default.aspx</a> and the applicant will automatically be forwarded an email notice that such comments have been submitted. The applicant will be expected to provide a response to comments submitted by any surface owner, water purveyor or natural gas storage operator noticed within the application.

#### **Permit Denial or Condition**

The Chief has the power to deny or condition a well work permit. Pursuant to West Virginia Code § 22-6A-8(d), the permit may not be issued or be conditioned, including conditions with respect to the location of the well and access roads prior to issuance if the director determines that:

- (1) The proposed well work will constitute a hazard to the safety of persons;
- (2) The plan for soil erosion and sediment control is not adequate or effective;
- (3) Damage would occur to publicly owned lands or resources; or
- (4) The proposed well work fails to protect fresh water sources or supplies.

A permit may also be denied under West Virginia Code § 22-6A-7(k), the secretary shall deny the issuance of a permit if the secretary determines that the applicant has committed a substantial violation of a previously issued permit for a horizontal well, including the applicable erosion and sediment control plan associated with the previously issued permit, or a substantial violation of one or more of the rules promulgated under this article, and in each instance has failed to abate or seek review of the violation within the time prescribed by the secretary pursuant to the provisions of subdivisions (1) and (2), subsection (a), section five of this article and the rules promulgated hereunder, which time may not be unreasonable.

Pursuant to West Virginia Code § 22-6A-10(g), any person entitled to submit written comments to the secretary pursuant to subsection (a), section eleven of this article, shall also be entitled to receive from the secretary a copy of the permit as issued or a copy of the order modifying or denying the permit if the person requests receipt of them as a part of the written comments submitted concerning the permit application. Such persons may request, at the time of submitting written comments, notice of the permit decision and a list of persons qualified to test water.
