Well No. 2 ^{38° 25'} _{82° 25'}
Willis J. & Ella G. Fizer Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated 1953, made by Willis J. & Ella G. Fizer, to Webster Myers, and recorded on the _____ day of _____, in the office of the County Clerk for said County in Book _____, page _____.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Webster Myers

Well No. 2

Willis J. & Eliza G. Rizer

The undersigned well operator is entitled to drill upon the above named tract of land for oil and gas, having the title thereto, (or as the case may be) under grant or lease dated _____ to _____

_____ and recorded on the _____ day of _____, 1953.

_____ Webster Meyers

_____ in the office of the County Clerk for said County in _____

_____ Book _____ page _____

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the tract and in the Magisterial District of _____ and County above named, determined by survey and course and distance from two permanent points on land marked.

The undersigned well operator is informed and believes there are no coal operators operating on or coal lands on which said well is located, or within 500 feet of the proposed location of the well, excepting the coal operators of coal owners (if any) above named as addresses.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 5 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that notice for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before _____ or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston West Virginia.

Very truly yours,

Webster Meyers

Address of Well Operator

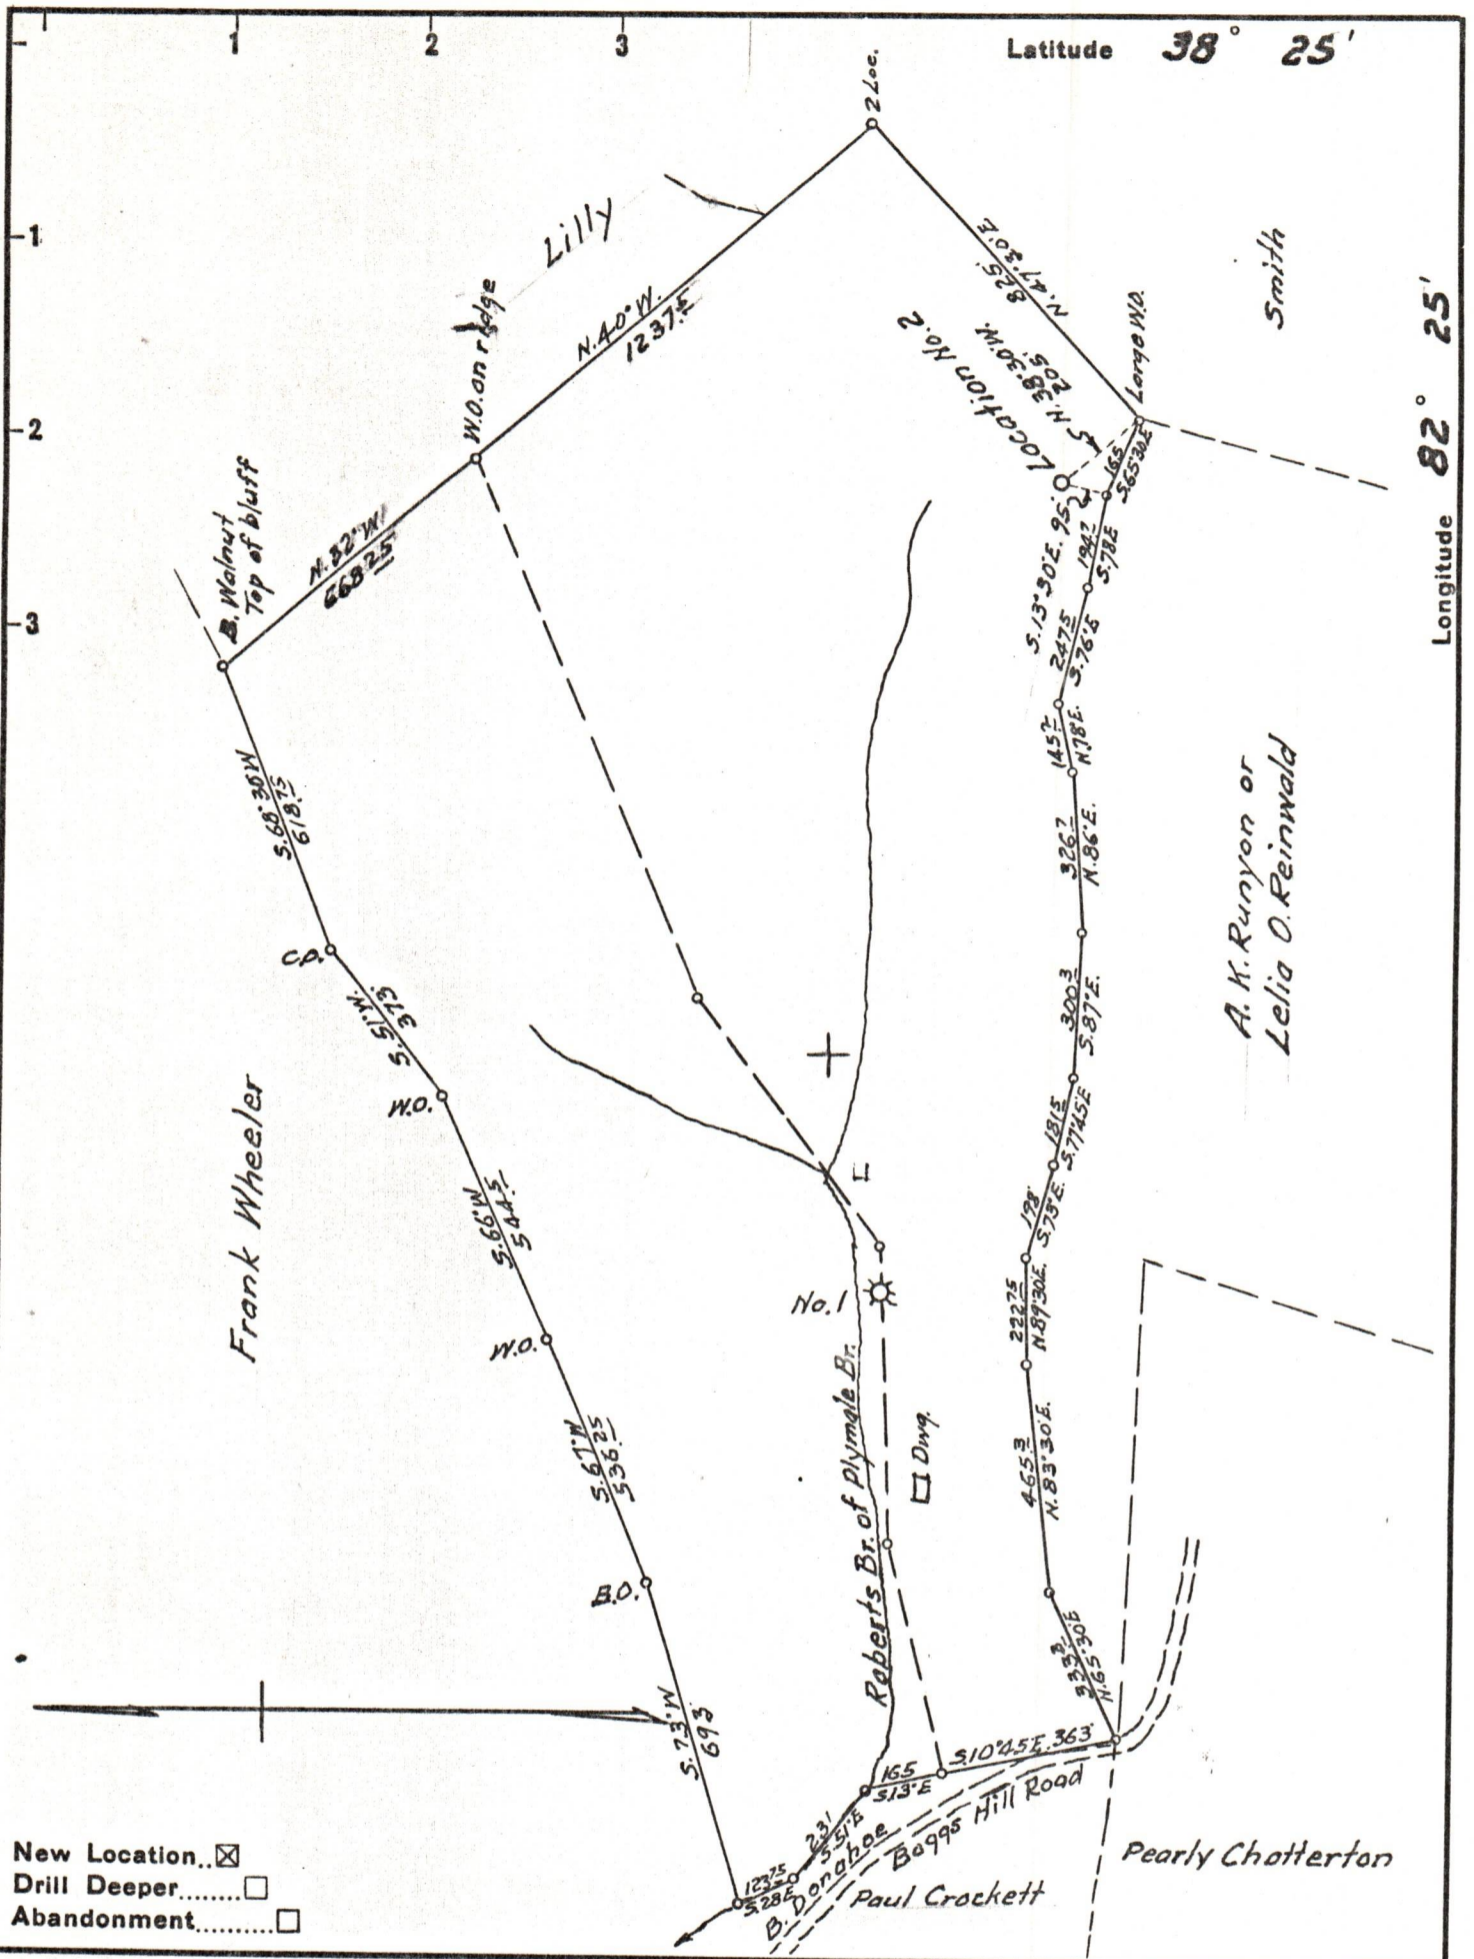

02/09/2024

Section 5 of said Code provides that the Department of Mines, within a period of ten days from the receipt of such notice and plat by the Department of Mines, or within a longer period as may be provided by law, shall cause a hearing to be held in the Department of Mines to determine whether or not the proposed location of the well is dangerous to any coal mine then being operated in the same or adjacent lands. If no objections have been made by the coal operators to the location of the proposed well, or if the Department of Mines has approved and the well operator authorized to proceed to drill at said location.
