PROPOSED LOCATION

Williams District

Wood County

Well No. *3 (10)*
McAtee Heirs Farm

GENTLEMEN :

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated.....

....., made by....., to

....., and recorded on the.....day

of....., in the office of the County Clerk for said County in

Book....., page.....

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

WELL OPERATOR

SENTINEL: The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated _____ made by _____ to _____ and recorded on the _____ day _____ in the office of the County Clerk for said County in _____

book _____ page _____ The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Marshall District and County above named, determined by survey and compass and distances from two permanent points or land marks. The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located or within 500 feet of the boundary of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees. The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location or when they are required to make by Section 8 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same. (The next paragraph is to be completed only in Department's copy.) Copies of this notice and the enclosed plat were mailed by registered mail or delivered to the above named coal operators or coal owners at their above shown respective addresses _____ days before _____ or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours

Section 8. If no such objections be filed or be found by the department of mines within said period of ten days from the receipt of said notice and plat by the department of mines to said proposed location, the department shall forthwith issue to the well operator a drilling permit reserving the right to such plat that no objections have been made by the coal operators to the location or found thereto by the department and that the same is approved and the well operator authorized to proceed to drill at said location.

A-10

July 27, 1933

Mr. Howard McAtee
Willow, W. Va.

Dear Sir:

A notice of a proposed location of oil or gas wells No. 2 and 3 on the McAtee Heirs Farm Williams District, Wood County has been received from Chas. S. Smith, Willow, West Virginia. A copy of this notice with an attached map should have been mailed you by the well operator.

If, from the location of the above proposed well, it is apparent that your interests are not properly protected, you should file your objection on or before August 6, 1933.

Very truly yours,

Chief of Department of Mines.

August 2, 1933
Williamstown, West Va.

Department of Mines
Charleston, West Virginia

Dear sirs:

I am writing in regard to the data sheets for well number 8 on the McAtee heirs farm. Also the drilling permits for wells number 9 and 10.

Please find enclosed the data sheets for well number 8. These sheets had not formerly been submitted because of a misunderstanding of the necessity to do so.

I am enclosing also a duplicate blue print for permits to drill wells number 9 and 10. The surveyor, Mr. Hickel, has designated these wells 8, 9 and 10 as 1, 2 and 3 respectively due to the law in regard to permits coming into existence after the drilling of the first seven on this tract of land.

Trusting all is satisfactory please send permits.

Respectfully,

C. W. S. Smith

Mr. Charles S. Smith
Willow, W. Va.

Dear Sir:

Your notice of proposed well location
No. 3 on the McAtee Heirs Farm was received in this
office July 27, 1933.

No objections have been filed in the ten-day
period subsequent to our receipt of your notice.
Drilling permit is hereby issued and found enclosed.

Very truly yours,

Chief of Department of Mines.

Well No. 10

McAtee Heirs Farm

Inspector to be notified MR. JOHN E. LOWTHER-Harrisville, W. Va. Telephone Number NIagra 4-2335

Gentlemen:— **24 HOURS IN ADVANCE OF PLUGGING DATE**

The undersigned well operator is about to abandon the above described well and will commence the work of plugging and abandoning said well on the date inspector is notified (which date shall not be less than five days after the day on which this notice so mailed is received, or in due course should be received by the Department of Mines).

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,
C R Feick
Well Operator

NOTE: Upon the abandonment of any well drilled prior to June 1, 1929, a plat prepared by a registered engineer shall be filed with THREE COPIES OF APPLICATION, (OG-9) AND "WORK ORDER" AND TWO COPIES OF THE WELL RECORD, (OG-10). The map must show the district and county in which the tract of land is located, the name and acreage of same, the name or names of the owners and names of adjacent tracts and the location of the well to be abandoned, determined by survey with the courses and distances of such well from two permanent points or landmarks on said tract.

01/05/2024

NOTE: In case plugging is not commenced within four months from the date of permit, same shall expire and be of no further force or effect.

NOTE: PERMIT IS NOT TRANSFERABLE.
