COAL OPERATOR OR COAL OWNER

WOOD County

Well No. 1

ADDRESS

W. B. WAMSLEY Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated August 28, 1933, made by W. B. & JESSIE L. WAMSLEY, to J. B. Yeager, and recorded on the not day of \_\_\_\_\_, in the office of the County Clerk for said County in

Book \_\_\_\_\_, page \_\_\_\_\_.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address \_\_\_\_\_ day \_\_\_\_\_ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Well No. 1

W. B. & JESSIE L. WANSLEY

The undersigned well operator is entitled to drill upon the above named farm or tract of land for

oil and gas having fee title thereto (or as the case may be) under grant or lease dated August 28,

1933 made by W. B. & JESSIE L. WANSLEY to

J. H. Yeager and recorded on the

in the office of the County Clerk for said County in

Book

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the adjacent district and County above named, determined by survey and courses and distances from two permanent points on land marks.

The undersigned well operator is informed and believes there are no coal operators operating on a coal bearing said farm or tract of land on which said well is located, or within 500 feet of the boundary of the same. Who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may have to make to such proposed location, or which they are required to make by Section 3 of said Act, if the building of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the grounds or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)  
Copies of this notice and the enclosed plat were mailed by registered mail or delivered to the above

named coal operators or coal owners at their above shown respective addresses on the day before or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

*J. H. Yeager*

W. B. & Jessie L. Wamsley  
RFD #23  
Parkersburg, W. Va.

Gentlemen:

A notice of a proposed location of oil or gas well No. 1 on the W. B. Wamsley Farm, Union District, Wood County, has been received from J. B. Yeager, Parkersburg, W. Va. A copy of this notice with an attached map should have been mailed you by the well operator.

If, from the location of the above proposed well, it is apparent that your interests are not properly protected, you should file your objection on or before September 8, 1934.

Very truly yours,

Chief of Department of Mines.

September 1, 1934

Mr. J. B. Yeager  
821 - 32d Street  
Parkersburg, W. Va.

Dear Sir:

Our letter notifying W. B. and Jessie L. Wamsley, RFD #23, Parkersburg, West Virginia of your intention to drill was returned to us marked "unknown."

As it is required in the law that the property owners and owners of the mineral rights be given notice of intention to drill, we will appreciate your ascertaining the correct address and advising us at the earliest possible date to avoid undue delay in issuing the permit.

Very truly yours,

*N. P. Rhinehart*  
Chief of Department of Mines.

Dear Sir:

Our letter regarding the lease and lease  
of the land in Louisiana, West Virginia  
of your intention to drill was referred to as  
"marked" "unfavorable."

As it is required in the law that the  
property owners and owners of the mineral rights  
be given notice of intention to drill, we will  
specify your association and correct address  
and maintain as the earliest possible date to  
avoid any delay in issuing the permit.

Very truly yours,
