OWNER OF MINERAL RIGHTS	
	Well No. 22x 2 39° 20' 81° 20'
ADDRESS	
	H. H. Dyke Farm

GENTLEMEN :

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated _____

See former applications, made by _____, to

_____, and recorded on the _____ day

of _____, in the office of the County Clerk for said County in

Book _____, page _____.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours, C. T. Smith & Dallis Snyder

*Section 3. If no such objections be filed, or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

NOTICE OF PROPOSED LOCATION OF OIL AND GAS WELL
 WEST VIRGINIA DEPARTMENT OF MINES
 OIL AND GAS SECTION

To the Department of Mines
 Charleston, W. Va.

NAME OF WELL OPERATOR: _____

PROPOSED LOCATION: _____
 COUNTY: _____
 TOWNSHIP: _____
 RANGE: _____

The undersigned well operator is entitled to drill upon the above named tract of land for oil and gas having to do with the location for as the case may be, unless and otherwise as provided in the following conditions:

1. The enclosed plan was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the tract and in the Meridian District and locally above named, determined by survey and angles and distances from two permanent points or land marks.

2. The undersigned well operator is informed and believes there are no coal operations or other beds of coal beneath and near or near of land on which said well is located, or within 500 feet of the boundary of the mine, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addresses.

3. The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 9 of said Code, in the district of a well as proposed location will cause a dangerous condition in or about their respective tract and must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plan by said Department. Said coal operators or further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must be made as definite as reasonably possible, the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

4. The next paragraph is to be completed only in Department's copy.

5. Copies of this notice and the enclosed plan were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above given respective address _____ day _____ before _____ on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very respectfully,

 Well Operator
