RE: Howdershelt 201-212 MODIFICATION

Gene:

Enclosed please find new plats and WW-6A1 forms for the Howershelt 201-212 pad. We are requesting a change to the location of the wellheads from the originally permitted locations. We did not submit new construction drawings, due to the fact that the LODs will not change.

If you have any questions or require any further information, please feel free to contact me.

Sincerely,

Amy L. Miller
Regulatory Compliance Specialist
