Hor - 133A

This is a geological cross-section  
 showing the relationship between  
 the 133A horizon and the 133B horizon.  
 The 133A horizon is shown as a  
 tilted layer, and the 133B horizon  
 is shown as a vertical line.  
 The area between the two horizons  
 is shaded to indicate the  
 geological structure.
