

SOUTH PRIN OIL CO KAN-A-A

9

Cabin Creek District, Kanawha County, W. Va.

By Tompkins Fuel Company.

Elevation, 1040'.

Completed June 12, 1929.

Located 0.78 mi. W. of 81° 20' and 1.62 mi. S. of 38° 10' - C - Montgomery Quadrangle.

13" drive pipe, 37'; 10" casing, 347' 2"; $8\frac{1}{4}$ ", 1442'; $6\frac{5}{8}$ ", 2012'; all to be pulled on abandonment.

Dry hole. Pulled, plugged, and abandoned.

Derrick measurement, corrected by steel-line measurement shows top of Big Lime, 1997. Error of 58 feet will have to be absorbed in the formations above the Big Lime. Depths to coals would probably not be effected greatly, but are probably reported a few feet deeper than they actually occur.

This is driller's record and not from samples.

Record from W. B. Maxwell, United Fuel Gas Co., March 10, 1945.
