**NOTES:**  
1. There are no water wells or developed springs within 250' of proposed well.  
2. There are no existing buildings within 625' of proposed well.  
3. Proposed well is greater than 500' from perennial streams, wetlands, public water supply, or non-aquifer use.  
4. There are no railroad tracks within 300' of proposed well.  
5. Proposed well is greater than 1000' from sub-surface groundwater recharge source or public water supply.  
6. It is not the purpose or intention of this plat to represent surveyed locations of the surface or reverse points depicted herein. The location of the boundary lines, as shown, is based on recorded land descriptions, field information found on the site, and past record data.
