

70001

.....NO.....WELL.
(BLACKSVILLE WELL).

U.S.G.S. Card.

Clay District, Monongalia County, W. Va.
By Gallatin Oil Co.
Gas well.
Drilled in 1865.
Elevation, 950'.
Obtained by R. W. Stone.
Authority, Stevenson, K, p. 109.
Blacksville Quadrangle.

7

No oil was found, but the well would produce enough gas to supply the town if it were cleaned out. The well is located in a fence corner behind a grist mill at the mouth of Roberts Run.

Record from U. S. Geological Survey, April 8, 1939.
