

70247

Clon
..... District, Ritchie County, W. Va.
By Smith & Co. (Well drilled by Buffalo people).

Authority, P. E. Boden.

3 mi. S. W. of Pennsboro.

4 1/2" casing, 1780', to shut off cave at 1200'.

Produced 5 to 15 bbls. per day of about 51 gravity oil.

This oil was on exhibit at Chicago and took the premium for
finest crude oil in America.

They drilled wells at all points of the compass around this

well but could find no outlet.

Completed in 1890.
