Examined above information and measurements and found to be correct by _____ Contractor _____ Superintendent of Co.
 NOTE—The above blank must be filled out correctly by the contractor with a complete and accurate record of the Well, and accompany when presented for payment of the bill for drilling.
 All formations and layers made must be given by their proper name, with their true measurements, and under the head of "Remarks" must be recorded in what sand and at what depth Oil, Gas, or Water was found, the quantity of same, the quality of the sand, and thickness of any.
 Make no memoranda of boiler and engine if owned by contractor.
