BONA FIDE FUTURE USE

OPERATOR: James F. Henthorn ID NO. 21955 BONDED? NO  
API NO. 095-1553-N FARM NAME: Robinson WELL NO. 1  
DATE WELL FIRST PRODUCED? 1938 DATE WELL LAST PRODUCED? 1992

To avoid having a well deemed abandoned under West Virginia Code 22B-1-19 the Operator must file with the Director a designation of bona fide future use. To establish an inactive status through bona fide future use the operator, at a minimum, shall complete those questions below to assure the Director that said well is environmentally sound. Also, attach a cover letter detailing the bona fide future use and address any information which may be deemed appropriate under Title 38 Series 21 to support such bona fide future use. Attach a copy of the well record to this form.

What amount of pressure is on the production casing and its annulus?

*None*

Presence of any leaks at or near the well?

*No.*

What is the pressure rating of the wellhead valve(s) and when were they last tested?

How much oil and/or waste product is being stored on location? Are the holding facilities diked?

*10 Barrels, Yes.*

Has money been escrowed for use to plug the well?

*No*

What is the schedule for putting the well into production?

*Well is able to produce, but needs cleaned out to stimulate production. Plan on keeping production as is for now.*

WELL REGISTER ASSIGNMENT

This API Number 47- 95-01553, issued to HENTHORN, JAMES F. is evidence of permission to operate the well that is referenced at the location described on the attached plat, subject to the provisions of Chapters 22 and 22B of the West Virginia Code of 1931, as amended, and all rules and regulations promulgated thereunder. The name and telephone number of the Oil and Gas Inspector for this well is MIKE UNDERWOOD - 304-782-1043.

Spills or emergency discharges must be reported to 1-800-654-3312.

Failure to abide by all statutory and regulatory provisions governing all duties and operations hereunder may result in suspension or revocation of your permits and in addition may result in civil and/or criminal penalties.

The enclosed WR-35 must be completed by you and returned to this office. In addition annual production reports must be submitted on this well and failure to do so may require you to plug the well.
