Dear Sir:

Would you please make a final inspection of the above described well.

Thank you.

Very truly yours,

GURMER WAMOCK Deputy Director

GW/ap

PROPOSED MANNER OF PLUGGING AND FILLING WELL

(REQUIRED BY RULES AND REGULATIONS)

WEST VIRGINIA DEPARTMENT OF MINES

OIL AND GAS DIVISION

WORK ORDER

Well to be plugged and filled as follows:

MARKER: Not less than 30 inches above surface and to extend 10 feet below surface. Sealed in cement and filled with cement, with "PIP PETROLEUM CORPORATION - WAY-997" permanently affixed to marker.

10 - 250 250 - 250 250 - 300	Non Porous Material Crushed Stone Cement Plug - Bridge 300 feet thuncoal
935 - 940	Crushed Stone
940 - 950 950 - 1250	Cement Plug - Bridge at 950 feet Non Porous Material
1250 - 1255	Crushed Stone
1255 - 1270	Cement Plug - Bridge at 1270 feet
1625 - 1630	Crushed Stone
1630 - 1645	Cement Plug - Bridge at 1645 feet
1920 - 1925	Crushed Stone sinigniv teew, engate
1925 - 1940	
1940 - 2080	Non Porous Material
2080 - 2085	Crushed Stone
2085 - 2100	Cement Plug - Bridge at 2100 feet

immediately upon approval of Pluscins Permit.

To the Department of Mines Coal Owner or Operator, Lease or Property Owner.

Gentlemen:

This "work order" is submitted for your approval and concurrence and unless notified of your disapproval or non-concurrence, the undersigned will proceed with the plugging and filling of said well in the above described manner on the date inspector is notified after permit is issued.

Raymond G. Loper
PIP Petroleum Corporation
Well Operator

No objections have been filed by the coal owner or coal operator, or any available adjacent lease or property owners or interposed by the Department of Mines to the manner herein described for the plugging and filling of the well above mentioned. Therefore, the same is hereby appropriately 10024

15 day of April , 1966.

DEPARTMENT OF MINES Oil and Gas Division

By: Zarmar Wausch

NOTE: This "work order" shall be filed in triplicate, one copy for the files of the Department of Mines; one to be approved or corrected and returned to the well operator as his authority for plugging said well; and one for the well inspector.

TO THE DEPARTMENT OF MINES,

STATE OF WEST VIRGINIA DEPARTMENT OF MINES OIL AND GAS DIVISION

Gentlemen: 24 HOURS IN ADVANCE OF PLUGGING

The undersigned well operator is about to abandon the above described well and will commence immediately upon approval of Plugging Permit.

the work of plugging and abandoning said well on the date inspector is notified (which date shall not be less than five days after the day on which this notice so mailed is received, or in due course should be received by the Department of Mines).

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,

They

By: Raymond G. Loper

PIP Petroleum Corp. Well Operator

NOTE: Upon the abandonment of any well drilled prior to June 1, 1929, a plat prepared by a registered engineer, shall be filed with THREE COPIES OF APPLICATION, (OG-9) AND "WORK ORDER" AND TWO COMMESS OF THE WELL RECORD, (OG-10). The map must show the district and county in which the tract of land is located, the name and acreage of same, the name or names of the owners and names of adjacent tracts and the location of the well to be abandoned, determined by surveys with the courses and distances of such well from two permanent points or landmarks on said tract.

O2/02/2024

NOTE: In case plugging is not commenced within four months from the date of permit, same shall expire and be of no further force or effect.

NOTE: PERMIT IS NOT TRANSFERABLE.
