GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated July 18 1957, made by C.A.Cardwell, to R.H.Adkins, and recorded on the 24 day of July 1957, in the office of the County Clerk for said County in Book 48, page 194.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms, for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address \_\_\_\_\_ day \_\_\_\_\_ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Well No. 1

C. A. Cardwell

Town

The undersigned well operator is entitled to drill upon the above named tract of land for oil and gas having fee title thereto, for as the case may be, under grant or lease dated July 18 1957 to C. A. Cardwell, made by C. A. Cardwell, and recorded on the July 1957 in the office of the County Clerk for said County in Book 40 Page 194.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the tract and in the Putnam District and County above named, determined by survey and courses and distances from two permanent points on land owned by the undersigned well operator.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said tract of land on which said well is located, or within 300 feet of the boundary of the same, who have mapped their workings and filed the same as required by law, excepting the coal operators at coal owners (if any) whose names are addressed below.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 2 of said Code, if the drilling of a well at said proposed location will cause a hazardous condition as to their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators and further notified that there is no making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to avoid the same.

The next paragraph is to be completed and in Department's copy. Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners, at their above shown/respective address July 26 1957 before the date of delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Wolf Gas Company
