STATE OF WEST VIRGINIA

DEPARTMENT, OF MINES OIL AND GAS DIVISION

NOTICE OF PROPOSED LOCATION OF OIL AND GAS WELL

Clifford Mills Fred & Opal Thompson Tayne, W. Va. Wayne, W. Va. August 10th Butler District Wayne Fred and Coal Thompson Fred & Opal Thompson Farm The undersigned well operator is entitled to drill upon the shows named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under exact or lease deted June 25th, 1960 , madeby Fred & Opal Thompson Clifford Mills veb dJOI and no bebroser bas . August, 1960 The enclosed plat was propared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magistorial District and County above named, deterrained by survey and courses and distances from two permanent points, or The undersigned well operator is informed and believes there are no coal operators operating lacts of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the bound aries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees. The above named roal operators or eoal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of this as within ten days from the receipt of a copy of this notice and accompanying plat by said repartment, and coal operators are further notified that forms for use in making such objections will be turnished to them by the Department of Mines promptly on request and that such objections must set for has definitely us in casonally possible the ground or grounds on which such objections are based and indicate in direction and distance the proposed location should (The next paragraph is to be completed only in Department's copy.) Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address. day before, or on the terms of Mines at Charleston, or on the terms of Mines at Charleston, Clifford Mills Wayne

Section 3. . It is such abjections be filed or to found by the department of mines within maid period of the days from the freezing of soid motive and plat by the department of mines, to said proposed location, the department such inclination that its test to the well operator a drilling period rection for the films of and plat that no objections have been under by the coal operators to the location of found increase by the daystiment, and that the same is approved and the well operator assistance to proceed to drill at the coal operator assistance as proceed to drill at the coal operator.

888I-YA

West Virginia.

PERMIT NUMBER

August 22, 1960

Mr. Clifford Mills Wayne, West Virginia

Dear Mr. Mills:

Please sign the enclosed application to drill Well F-1 on Fred and Opal Thompson Farm, Butler District, Wayne County and return immediately.

The Department has found it necessary to have all applications for permits signed because some drilling has been done on leases not under lease to the person doing the drilling so that the legitimate lease holder was being defrauded. This is merely for your protection.

Very truly yours,

CRAWFORD L. WILSON, DIRECTOR Department of Mines

Assistant Director
OIL AND GAS DIVISION
