GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated July 23rd 1935

made by Henry Elsen and Wife

O.T. Midcap, and recorded on the day

of ( Not Recorded ) in the office of the County Clerk for said County in

Book, page

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address day before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

O.T. Midcap

Dear Sir:

You failed to send us a tracing for Well No. 2 on the Henry Elson Farm, Green District, Wetzel County, and we can find no record of your having drilled this well by permit or having filed a record previously, and of course we cannot issue a permit to plug until all data is filed.

If you purchased this well from some one who does have a record of the well in this Department, please advise us the name of the operator.

Very truly yours,

Secretary  
OIL AND GAS DIVISION.

Dear Madam:

Enclosed you will find the tracing for  
Well No. 2 on the Henry Elson Farm, Green  
District, Wetzel County.

The permit Number Wet-109 to drill this  
well was issued to O. T. Midcap, New Martins-  
ville, W. Va. on December 6, 1935.

I did not purchase this well from Mr.  
Midcap, but have permission from him to  
plug the well as soon as I receive the permit.

Very truly your,

Curtis B. Smith

By *Majine Smith*

Secretary

P. S.

Please send the permit to me immediately  
as I have held up the work on the well.

Wetzel County

Well No. 2

Henry Elson Farm

Gentlemen:—

The undersigned well operator is about to abandon the above described well and will commence the work of plugging and abandoning said well on the 14th day of June, 1937, (which date shall not be less than five days after the day on which this notice so mailed is received, or in due course should be received by the Department of Mines).

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,

By: C. B. Smith  
Well Operator.

NOTE: Upon the abandonment of all wells drilled prior to June 1, 1929, a plat prepared by a competent engineer, showing the district and county in which the tract of land is located, the name and acreage of same, the names of the owners of adjacent tracts, and the location of the about to be abandoned well, determining its depth and the courses and distances of such well from two permanent points or landmarks on said tract, shall be submitted with this notice.
