GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated

FEBRUARY 29, 1932

, made by CLARENCE BIATT, et al.,

CARNEGIE NATURAL GAS COMPANY

, and recorded on the 4th

of APRIL, 1932, in the office of the County Clerk for said County in

Book 27-A, page 245.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Att: Mr. Ben S. Cooper, Land Agent

Gentlemen:

We are in receipt of your application to redrill Well No. F-13593 (Lease No. 26469) on the Clarence Elatt Tract, Proctor District, Wetzel County and your letter of October 7, advising that this well was originally drilled by Carnegie Natural Gas Company.

Our records show that we issued permits on five wells to be drilled on the above described tract to Carnegie Natural Gas Company and if you will advise us when the location was made and well drilled, we will be able to determine if the present relocation refers to one of the five, and we will then be able to advise if a tracing is needed at this time. Our records began June 1, 1929.

Very truly yours,

Administrative Assistant
