Cely Montgomery arm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated *Oct. 5, 1938*

made by *G. G. Fowler*, to

J. N. Ferrell, and recorded on the *7th* day

of *October, 1938*, in the office of the County Clerk for said County in

Book *32A*, page *273*

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

J. N. Ferrell

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated May 23, 1952, made by J. D. & Celia Montgomery, his wife, to THE MANUFACTURERS LIGHT AND HEAT COMPANY, and recorded on the 26th day of June, 1952, in the office of the County Clerk for said County in Book 40A, page 152.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Owner J. D. Montgomery

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named land or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated

May 23, 1922, made by J. D. & Celis Montgomery, his wife, to

THE MANUFACTURERS LIGHT AND HEAT COMPANY, and recorded on the 26th day

of June, 1922, in the office of the County Clerk for said County in

Book 404, page 152

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the land and in the Magisterial District of said County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said land or tract of land on which said well is located, or within 800 feet of the boundary of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named in addresses.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 8 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must be forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail or delivered to the above named coal operators or coal owners at their above shown respective addresses _____ day _____ before or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

PROPOSED MANNER OF PLUGGING AND FILLING WELL

(REQUIRED BY RULES AND REGULATIONS)

WEST VIRGINIA DEPARTMENT OF MINES
OIL AND GAS DIVISION
WORK ORDER

Well to be plugged and filled as follows:

WORK ORDER ARRANGED BY THE DEPARTMENT OF MINES

Total Depth 3032'

Fill hole with red clay or other non-porous material from 3032' - 2800'

Drive Wood Plug 2800' - 2797'

Cement 2797' - 2787' - Sealing hole completely.

Continue to fill with non-porous material from 2787' - 2700'

Wood Plug 2700' - 2697'

Cement 2697' - 2687' - Sealing hole.

Set a permanent bridge at 2360' - bottom of Big Injun
1 sack cement on bridge.

Fill with red clay or other non-porous material from 2360' - 2071'

Drive wood plug 2071' - 2068'

Pull 6-5/8" casing and--

Continue to fill to 2027' - 20' above Big Lime.
Cement 2027' - 2017'

Set a permanent bridge at 1768' - 30' below 1st Salt Sand.
1 sack cement on bridge.

Red Clay or other non-porous material from bridge to 1655' - 20' above 1st Salt Sand.

Wood Plug 1655' - 1652'

Cement 1652' - 1642' - Sealing hole above Salt Sands

Continue filling to 1506'

Pull 8 1/4" casing and--

Fill with non-porous material from 1506' - 1315' - 20' above Little Dunkard Sand

Wood Plug 1315' - 1312'

Cement 1312' - 1302' - Sealing hole.

Set a permanent bridge at 986' - 30' below Pittsburgh Coal.
Cement 986' - 930' - 20' above Pittsburgh Coal.

Non-porous material 930' - 450'

Wood Plug 450' - 447'

1 sack cement on plug.

Pull 10" casing and--

To the Department of Mines
Coal Owner or Operator,
Lease or Property Owner.

Fill with non-porous material to surface.
Erect Marker such as is required by Rule 18, 1931 regulations.
NOTE: CEMENT FOR MAKING CEMENT PLUGS BE MIXED WITH WATER ONLY -
APPROXIMATELY FIVE GAL WATER TO ONE SACK CEMENT.

Gentlemen:

This "work order" is submitted for your approval and concurrence and unless notified of your disapproval or non-concurrence, the undersigned will proceed with the plugging and filling of said well in the above described manner on the date stated in the notice of intention to plug and abandon the said well on opposite side of this sheet.

Very truly yours,

Well Operator.

No objections have been filed by the coal owner or coal operator, or any available adjacent lease or property owners or interposed by the Department of Mines to the manner herein described for the plugging and filling of the well above mentioned. Therefore, the same is hereby approved this 10th day

of February, 1939.

DEPARTMENT OF MINES 09/22/2023
Oil and Gas Division

By

NOTE: This "work order" shall be filed in triplicate, one copy for the files of the Department of Mines; one to be approved or corrected and returned to the well operator as his authority for plugging said well; and one for the well inspector.

Gentlemen:—

The undersigned well operator is about to abandon the above described well and will commence the work of plugging and abandoning said well on the 14th day of February, 19 39, (which date shall not be less than five days after the day on which this notice so mailed is received, or in due course should be received by the Department of Mines.)

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,

J. H. Ferrell
Well Operator.

NOTE: Upon the abandonment of all wells drilled prior to June 1, 1929, a plat prepared by a competent engineer, showing the district and county in which the tract of land is located, the name and acreage of same, the names of the owners of adjacent tracts, and the location of the about to be abandoned well as determined by survey, and the courses and distances of such well from two permanent points or landmarks on said tract, shall be submitted with this notice.

(Formerly Well F-15559)
Proctor District
Wetzel County, West Virginia

Department of Mines
Oil and Gas Division
Charleston, West Virginia

ATTENTION: Mr. C. N. Hall, Administrative Assistant

Gentlemen:

Under date of September 28, 1953, your department issued this company Permit WET-212-R to redrill Well No. F-15559 on the J. D. Montgomery farm.

We would appreciate it very much if you will change your records regarding the well number from F-15559 to Well 1-4225 for future reference. Just as soon as we receive the well log for this reconditioning, we will forward the usual copies to your department.

Yours very truly,

THE MANUFACTURERS LIGHT AND HEAT COMPANY
