Well No. 1

Emmie Cannon Farm

GENTLEMEN :

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated Nov. 7, 1938

made by Emmie Cannon, Stella Wade & Noel Wade to E. F. Richardson, and, to
by E. F. Richardson assigned to Everett Hughes by assignment dated Dec. 13, 1938,
lease and assignment being, and recorded on the 12th day

of Dec. 1938, in the office of the County Clerk for said County in

Book 33 A, page -

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Everett Hughes

WELL No. _____

DATE: _____

The undersigned well operator is entitled to drill upon the above named tract of land for oil and gas having for this purpose, (or as the case may be) under grant or lease dated _____ day of _____ 19____.

_____ in the office of the County Clerk for said County in _____

The enclosed plan was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the State and District and County above named, determined by survey and compass and distance from two permanent points on land marked.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said tract of land on which said well is located or within 500 feet of the bounds of the same who have staked their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 2 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, shall be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plan by said Department. Said coal operators are further notified that terms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth definitely by reference to the proposed location or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to or remain same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plan were mailed by registered mail or delivered to the above named coal operators or coal owners at their above shown respective addresses _____ day of _____ or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,
