GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated MARCH 6, 1916, made by W. B. TAYLOR ET UX, to CARNEGIE NATURAL GAS COMPANY, and recorded on the 22nd day of APRIL, 1919, in the office of the County Clerk for said County in Book 12-A, page 407.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

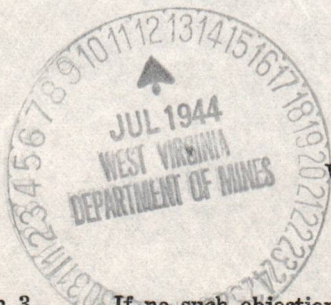

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,
CARNEGIE NATURAL GAS COMPANY,

Attention: Marie E. Griffith, Secretary.

Dear Sirs:

On December 30, 1944 we filed with the Department of Mines, under Permit No. WET-316, drilling deeper completion of our W. B. Taylor well #651 situate in Church District, Wetzel County, West Virginia, together with Notice of Intention to Plug and Abandon same. To date permission to plug and abandon has not been received.

We have been able to place this well in commercial production by developing a show of gas encountered at 3,360 feet in the Stray Sand, testing approximately 30,000 cubic feet daily open flow, and ask that you disregard our request.

Yours very truly,

CARNEGIE NATURAL GAS COMPANY,

Dear Mr. Archer:

We acknowledge receipt of your letter of January 30th in regard to Well No. 651 on the W. B. Taylor Farm, Church District, Wetzel County for which you had applied for permit to abandon.

We checked our files and found that the application was approved on the 2nd day of January but through an error your copy was placed in our files instead of being sent to you. I am sorry this occurred.

Since you have found that the well will be commercially productive, we are cancelling application for the present and should you wish to plug it later the application can be reinstated.

Very truly yours,

Secretary
