Dear Mr. Dunn:

We are in receipt of tracing of location for your Well No. 1 on the Mary L. Meighen Farm, Church District, Wetzel County.

Please fill out the enclosed form OG-1 and return to us as soon as possible so that we can issue permit to drill within ten days.

If there are any coal owners or coal operators of the lease on which you intend drilling this well, send them a blue print of the map and copy of the notice to drill. This is required by law since the coal operators and coal owners must have ten days notice of your proposed drilling to give them the opportunity to object if the location interferes with mining, either actual or projected.
