AFFIDAVIT

STATE OF WEST VIRGINIA,  
County of Wetzel :

Bruce Chisler being first duly sworn according to law depose and say that they are experienced in the work of plugging and filling oil and gas wells and were employed by West Virginia Land Resources well operator, and participated in the work of plugging and filling the above well, that said work was commenced on the 22nd day of March 23 and that the well was plugged in the following manner:

| Sand or Zone Record                                                                                                                   | Filling Material | Casing/Tubing Size                               | Casing Pulled | Casing Left In |
|---------------------------------------------------------------------------------------------------------------------------------------|------------------|--------------------------------------------------|---------------|----------------|
| 3Formation                                                                                                                            |                  | none                                             | none          | none           |
| Drilled 12-1/4" hole to 30 ft. Drilled 38' and got 5' core sample in Wash pipe - showed no hole. Filled with clay from 38' to surface |                  |                                                  |               |                |
| Coal Seams                                                                                                                            | N/A              | Description of Monument                          |               |                |
| Pittsburgh                                                                                                                            |                  | 8' of 7" pipe with well information welded on it |               |                |
|                                                                                                                                       |                  |                                                  |               |                |
|                                                                                                                                       |                  |                                                  |               |                |

... and that the work of plugging and filling said well was completed on the 7th day of April, 2023

And further deponents saith not.
