COAL OPERATOR

Well No. 1

ADDRESS

E.G. and Mary J. Duke Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated Feb. 2, 1928

made by E.G. and Mary J. Duke, to C.A. Fleger and B.F. Pugh and assigned by them to the present owners Crowley and Carr Oil Company, and recorded on the 30 th day April 1931 and the 12 th day of May respectively 1931 of \_\_\_\_\_, in the office of the County Clerk for said County in

Book 204, page 337 -379

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators (if any) above named as addressees.

The above named coal operators (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators at their above shown respective address \_\_\_\_\_ day... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Crowley & Carr Oil Co. by W.R. Crowley

\*Section 3 . . . . . If no such objections be filed, or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

Gentlemen:

Please find enclosed notice

of proposed location of oil well  
well executed by Crowley and Carr Oil Co.

It is the intention of this company

to deepen the present well on

the farm. The well is located on the

land in your office on 18th day

of July last in connection with a permit

for the drilling of a well on the said

land and Mary D. Duke farm. The well

drilled to the said land and the company

proposed to drill it to a depth

of a distance of 500 to 1000

Very truly yours

*L. E. Crowley*

Mr. E. G. Duke  
RFD #1  
Parkersburg, W. Va.

Dear Sir:

A notice of a proposed location of an oil or gas well, No. 1 on the E. G. and Mary J. Duke Farm, Williams District, Wood County, has been received by this department from the Crowley and Carr Oil Company, Roseville, Ohio as of this date. A copy of this notice with an attached map should have been mailed you by the well operator.

If from the location of the above proposed well, it is apparent that your interests are not properly protected, you should file your objection accompanied by a map showing the relation of said well to such interests, on or before October 19, 1931.

Very truly yours,

Chief of Department of Mines.

Gentlemen:-

In checking up our files, we note that data sheets have not been filed on your Well No. 1, in Williams district, Wood county, E. G. and Mary J. Duke farm, File No. W00-9.

This is required by Rule 9 of the Rules and Regulations and no record of drilling is complete until such data is properly made out and filed.

Please attend to this matter promptly as your data sheets are due to be filed as soon as the drilling is completed.

Very truly yours,

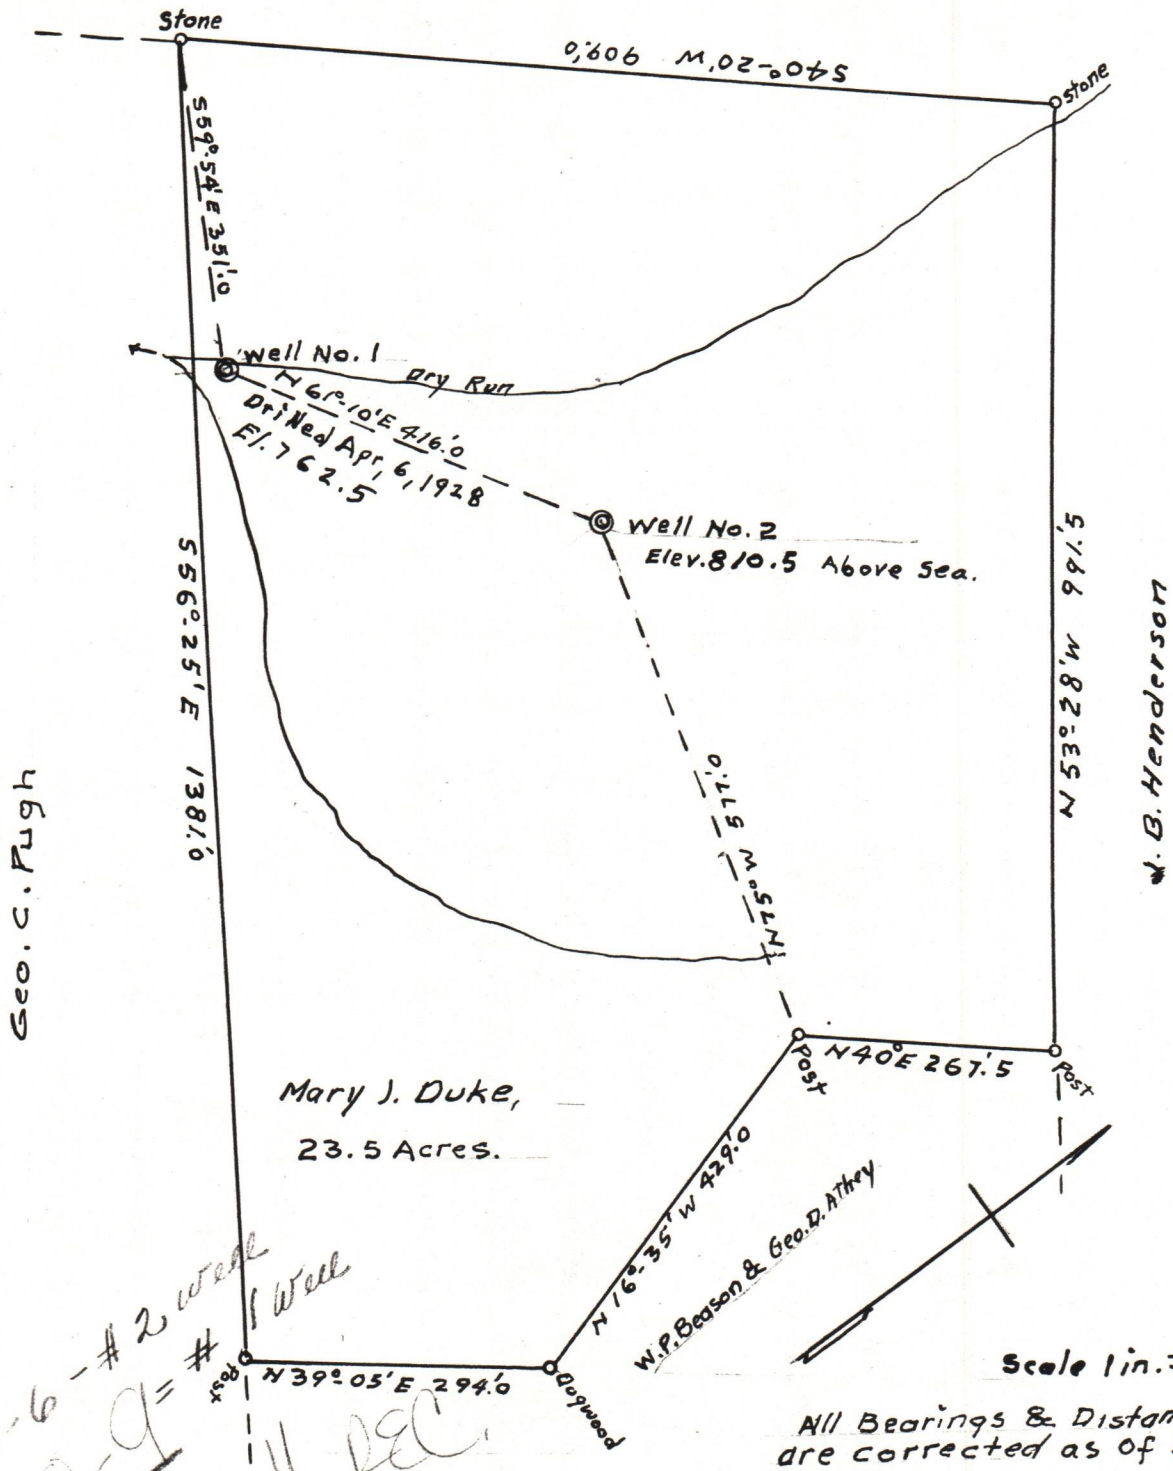

Chief
