PROPOSED LOCATION

Walker District

Wood County

Well No. Three

Elmer Marshall Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated.....

February 10th., 1922

Elmer Marshall and

Norma Marshall, his wife, to

R.W. Richards

and recorded on the 31st day

of March 1924

in the office of the County Clerk for said County in

Book 185, page 34

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address.....day... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Pleasant Hill Gas Company

*Section 3 If no such objections be filed, or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

SEP 10 1934

NOTICE OF PROPOSED LOCATION OF OIL AND GAS WELL
 WEST VIRGINIA DEPARTMENT OF MINES
 OIL AND GAS SECTION

To the Department of Mines,
 Charleston, W. Va.

NAME OF WELL OPERATOR: Pleasant Hill Gas Company
 ADDRESS: Route 21, Warthorn Ave., Parkersburg, W. Va.
 PROPOSED LOCATION: Sept. 8th., 1934

NAME OF WELL OPERATOR: Walker
 ADDRESS: Wood
 PROPOSED LOCATION: Well No. Three
 Rimer Marshall

The undersigned well operator is entitled to drill upon the above named land or tract of land for oil and gas having fee title thereto (or in the case may be) under grant or lease dated February 10th., 1922 made by Norma Marshall, his wife to R. W. Richards and recorded on the 31st day of March 1924 in the office of the County Clerk for said County in Book 4, 15 page 34.

The enclosed that was prepared by a competent engineer and shows the proposed location of a well and the location of the nearest existing well location on the same tract of land in the Mineral Lease and County above named, determined by survey and correct and distance from two permanent points or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said tract of land in which said well is located, or within 800 feet of the boundary of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location on which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators or coal owners should promptly that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed that were mailed by registered mail or delivered to the above named well operators or coal owners at their above shown respective addresses on the _____ day of _____ or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,
 Pleasant Hill Gas Company
