Dear Sirs:

Inclosed you will find form OG-1 filled out asking for a permit to drill our # 3 well. The surveyor gave you our business address as Waverly W. Va., R. F. D. # 1., but this is the mailing address where the lease is located.

After your original letter was returned to you marked unclaimed you mailed the 2nd one to Eugene Mellinger R. F. D. # 23 Parkersburg, W. Va. who is a stock holder in the Company and the Company is named after him as he stocked out our first well. He in turn delivered the letter to me and there has been quite a delay due to these circumstances would appreciate your prompt attention on this matter as the Contractor is waiting to move in on the lease with his equipment.

Very truly yours,

Mellinger Oil Co.,
