GENTLEMEN :

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated 6 March,

1948, made by Constance Hoblitzell, to

H. Rey Helvenston, and recorded on the 12th day

of March, 1948, in the office of the County Clerk for said County in

Book 307, page 120

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address \_\_\_\_\_ day \_\_\_\_\_ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

H. R. Helvenston

Book 2, Page 1

The undersigned well operator has caused a competent engineer and geologist to examine the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the land and in the adjacent district and county above named, determined by survey and correct and distance from two permanent points on land and

The undersigned well operator is informed and believes there are no coal operators operating wells or coal prospects within a radius of half a mile of land on which this well is located or within 500 feet of the boundary of the same who have mapped their workings and that this map is required by law to be kept in the office of the coal operator or coal owners (if any) above named or elsewhere.

The above named well operator or coal owners (if any) are notified that any objections that may be made to such proposed location or within the time specified in this notice shall be made by written notice to the undersigned well operator or to the Department of Mines, Coal and Oil, at Harrisburg, West Virginia, or to the County Clerk for said County, West Virginia, at least ten days before the date of the proposed location. A copy of this notice and determination shall be furnished to the Department of Mines, Coal and Oil, at Harrisburg, West Virginia, and to the County Clerk for said County, West Virginia, for use in making such objections. It is further notified that the undersigned well operator is responsible for the proposed location and that all such objections must be made in writing and filed in the office of the undersigned well operator or in the office of the Department of Mines, Coal and Oil, at Harrisburg, West Virginia, and that the undersigned well operator is not responsible for the proposed location should be made to overcome same.
