Berea			2241'	2250'			
Pocket, below Berea Sand				2267'			
<p>Equipment of above well was purchased in July, 1948, by DePuy &amp; Kirkbride, Casing Pullers, of Room #212, 1st Nat'l Bldg., Marietta, Ohio. We have endeavored to secure well record, but apparently there was no record maintained other than for The Berea Sand, as above. The location of sand, to prepare application to abandon and plug this well, was determined from the location of sands in other wells adjacent to these, for which well logs were available.</p>
